

DOOMSDAY PYRAMID CLOCK

HIDDEN ENCRYPTED YEAR COUNTDOWN TO 2022

The Last Prophetic 7-Year Time Span and the Return of Planet X

The purpose of this illustration is to particularly chart and decipher an apparent hidden 'code of years' in Earth's longitude. These degrees of longitude pertain to the pyramid that is configured on the grounds of the Hampton Court Palace west of London. Based on the evidence examined, this configuration shows that certain key degrees of longitude have been incorporated into the very design and layout of this pyramid; from the base to its apex and beyond. Each longitude degree reading starts from the base of the pyramid and specifically corresponds to a year in time. This assertion is taken solely based on the value of 1) the degree and 2) the minute readings of this pyramid's longitude due West from the Prime Meridian.

These specific longitude-to-year theory has been marked out to formulate a timeline. The longitude at the base of this Hampton Pyramid begins with 19 degrees 06 minutes or the year 1906. At the other end of the pyramid, just outside the Palace at the western entrance, the longitude corresponds to 20 degrees, 22 minutes or the year 2022. What this timeline is possibly signaling then is a countdown to the year 2022 specifically. What is or will be significant about the year 2022? Could this year 'countdown' possibly be correlated to a 'Doomsday' or an end of a time sequence? It could then correspond to the time when this present Age is to come to a close? Many contest that it will be the year of Jesus Christ's 2nd Coming. This illustration only seeks to examine if in fact, this longitudinal correlation is matching years that is depicting a 'countdown'. Is it a countdown to 'doomsday' nonetheless? The Bible and many other extra-Biblical sources predict it will be coming upon the Earth.

51°24'12"N 0°20'15"W

Means 51 degrees 24 minutes 13 seconds NORTH of Equator

Means 0 degrees 20 minutes 15 seconds WEST of Prime Meridian

° = Degrees
' = Minutes
" = Seconds

Based on the year countdown and geometric configuration, this Doomsday Pyramid is associated with the spectacular notion of Planet X. This illustration shows that in fact, the Diana Fountain north of the Palace does depict the coming giant celestial red Planet -or the binary Sun, Planet X. As there is much debate as to its existence, but the Doomsday Pyramid actually alludes to this coming event. This phenomena matches up during the year that many who study this subject of Planet X or Nibiru predict the giant red dwarf will be coming around our Solar System, in the year 2015.

ANTHROPOMORPHIC MAN

This area just east of the Palace itself depicts an 'anthropomorphic man' with out stretched arms that has the Palace proper itself as the head. It is from this reference point and time marker that the detail of the remaining 13 years comes into focus (2009-2022).

THE COUNTDOWN

Many who have studies the phenomenon of Planet X have provided some models of its coming trajectory. IF in fact 2022 then is the 'Doomsday' year, then 7 years prior to that would be 2015, which happens to be when Planet X comes around - according to the line up of this Pyramid time clock. It also implies that the worldwide coming catastrophes from this encounter with the 2nd Sun will directly match all the Seal, Trumpet and Bowl judgments that are coming upon the Earth as described in the Book of Revelation. This 7-Year time span would also line up with what most who subscribe to a 7-Year Tribulation Period believed to be the interpretation of Daniel 9:27 prophetic last Week of Years.

THE COMING PRINCE

If one were to take 2022 and subtract the last 3 sets of 13 year cycles, with start year inclusively added, the tally of 40 years would result. The last 13 year cycle would overlap but in principle, you would have 1982 as a pivotal year related to 2022.

2022 - 40 years = 1982

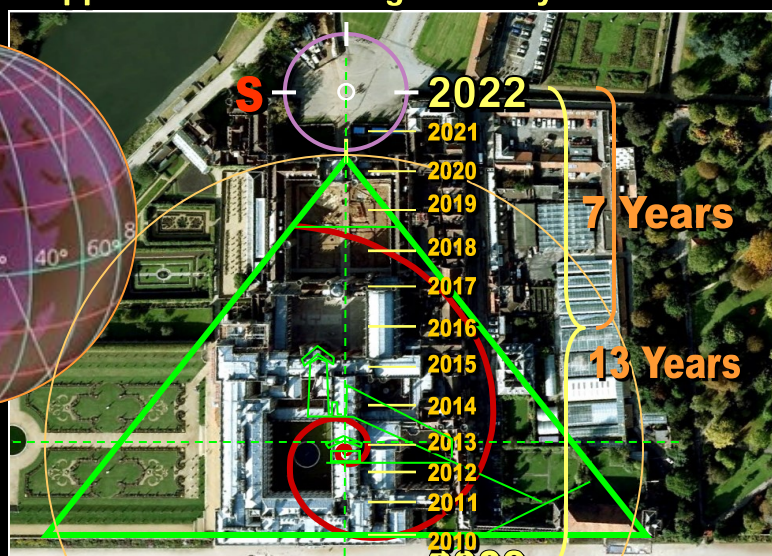

If someone were to have been born in the year 1982, the age would be 33 years old by 2015. Many believe that the coming AntiChrist or world ruler of Lucifer's New Age or Order will mimic Jesus Christ's age and will debut in that year. This is the exact year again when the longitude-to-year marker on the Doomsday Pyramid of Hampton Court Palace corresponds to the gigantic orb or circular horned disk. Both are described in the Bible as being the Red Dragon, the Serpent, the Devil, the Horned One, Lucifer, etc.

HAMPTON COURT

Many believe the Palace is haunted with the ghost of King Henry the 8th. He was the one who first started to build the Royal Residence. The Hampton Court Palace is officially a residence of the British Royals but it has not been occupied by them since the 18th century, but specifically, 1776. This was the shift to the 'New World' and the New Order of the Phoenix, the USA.

Great Pyramid superimposed Approximation of longitude-to-year timeline

The Palace is surrounding in mystery an Luciferian occultic grid and lay-lines. It is exactly 18.8 km (188) from Charing Cross.

What is significant about Charing Cross is that it is considered to be the exact 'center' point or marker of London. Charing comes from old English *cierring* that means crooked, as in 'Crooked Cross'.
