Jesus Heals Many

Hundreds of years before Jesus came, God told Isaiah about it. The prophet Isaiah wrote in the Old Testament: "God will honor the land of Galilee. The people living in darkness will see a great light. They will have joy."

Jesus was that light. He was the Messiah. He walked through Galilee. He told the good news. He healed every disease and sickness.

Thousands came to him. Some crawled on legs that did not work. The weak were carried on the backs of the strong.

Jesus loved each person. He placed his hands on them. Those who suffered pain for years were healed, just like that!

Broken legs stood strong. Itchy skin stopped itching. Hurting heads felt good again. Bodies that shook were stilled. Twisted hands stretched out. The blind, living in darkness, could now see.

Not one sick child was forgotten. Even evil spirits left at his command. What joy there was!

Jesus told everyone who he was. And he proved it with his miracles. The Light of the World shone upon the people. The Messiah had come at last!
