And Now.....

THE NEWS

I am certain most of you are aware of the passing of another member, John Murphy, our secretary. We will miss John. John had not been very active due to other commitments; then his health began to fade. Yet, near the end, he had our club in mind and its' best interests. I have records that he kept and he made sure that they got to me. May God rest his soul.

Please keep in mind that elections are around the corner and nominations are in order during October. We will need at least one new board member so think about what you could bring to the club. Step up and be counted.

The song style for the end of October meeting is "cajun". Get out that washboard!

It is not too early to put on your calendar our Christmas party on 12/10. Always well attended but we need YOU there to keep it going. I am searching for a new recipe to try. There are so many good ones out there.

See you on the 8th and 22nd!

Dick

John Timothy Murphy

Died September 14, 2017. He was a member of the Mile High Harmonica Club, played and sang in the West Wind Harmonica Band and served on the MHHC Board as the secretary. He will be missed.

John and Joan were married 56 years and had five children: Theresa, John, Matthew, Brady and Brendan.

John was employed with Diebold, Inc. for 33 years. He had a "can-do" attitude and once, in order to get a tough sale at a rural Illinois bank branch, he took an unwanted farm kitten. The cat, "Mr. Kitty," was a family member for 21 years.

John's service was at the Queen of Peace Catholic Church. Several members of the Mile High Harmonic Club attended. The Pisces Trio (Lee Taylor, George Evans, and Bob Savery) played at the reception.
