

SUMMER IS JUST AROUND THE CORNER!

Summer will be here before you know it and it officially starts June 21st. It's time for backyard BBQ's, swimming, vacations, and outdoor fun!

Now is the time to have your air conditioner checked before the big heat wave hits. Call my friend "Tom" at Bell Mechanical. Bell is the premium A/C contractor in D/FW. Call Bell at 214-459-6535 today! Don't forget to change those filters every 30-90 days depending on the type of filter you're using. Using better filters is healthier for you and for your A/C.

Williams Renovation is busy on multiple projects throughout Rockwall - Royse City and Terrell. Poetry is a "hot spot" for new homeowners or existing ones wanting their places updated. We love Poetry. Call us now!

I have over 45 years experience in the building and remodeling industry and consult with many folks just needing help with a home problem or an issue with their home. If you need someone with a lot of experience, please call me anytime at 214-325-3046. I can help you with whatever you need. For repairs, remodeling or renovation. I'm the one to call.

Have a great summer everybody!
