

ABOUT SCMSA

The Saginaw County Medical Society Alliance is an organization of physician spouses and partners, working together for the benefit of their communities, their families and the profession of medicine.

The SCMSA is a vital link in the federation of medical spouses and partners nationwide, who strive to improve the health and life-styles of all citizens.

The Medical Alliance provides a forum for sharing information and concerns about the practice of medicine, the quality of health care and the stresses faced by the medical family.

The SCMSA is dedicated to advancing the health of Michigan through advocacy, education and action.

Community Health Initiatives

*Domestic Violence Prevention
Health Literacy
Anti-Bullying
Healthy Lifestyles
Immunization Education*

Our annual Doctors and their Families Make a Difference Campaign supports domestic violence shelters throughout the State of Michigan.

We collaborate with MSMS Foundation to support medical education, research and physician-based community health grants.

Saginaw County Medical Society Alliance

Our Mission:

Work in partnership with the Michigan State Medical Society Alliance (MSMSA) and the American Medical Association Alliance (AMAA) to develop, implement, and support educational programs that improve the public health.

Educate about legislative issues that impact the practice of medicine.

Provide support for the medical family.

Provide nursing scholarships to area residents.

Support local charities through our annual fundraiser – The Jingle Mingle.

**Personal Growth, Development,
Leadership and Support
Opportunities**

Meet and network with medical families

**Considering joining SCMSA?
Here's why you should:**

SCMSA members share the unique challenges that accompany life in a medical family. It is our mission to support the medical family and we are great at it.

Join the Alliance to promote health projects in your community. Bring your project idea to the Alliance and watch it spread statewide!

SCMSA will keep you abreast of all legislative issues pertaining to health care and the practice of medicine. You will be part of a network that will let you know when and how to take action.

SCMSA provides opportunities for developing leadership skills and personal growth.

Members of the SCMS Alliance vary in age, ethnicity, religion and opinion. They value Alliance membership because of the connections and lifelong friendships they make. Members have two common goals: To improve the health of Michigan citizens and support the family of medicine.
