Eddie and Lura Beckford (Arad, Israel)

Praise God, all five of the false and fabricated cases against **EDDIE** have been dismissed! Unfortunately, the **JUDGE** forced **EDDIE & LURA** to

pay 5,000 Shekels for court fees? This was right after a **MAN** crashed his car into their van causing about 10,000 Shekels worth of damage. Please pray God would provide this additional \$5,000. The Beckfords have maintained a bold and mighty fruitful witness for many years in **ISRAEL** and around the world. Please pray for God's protection for them and their work.

Steve Zober
(Orange County California)

STEVE told me the Jewish **MAN**, he and **CYRIL GORDON** (JFJ Missionary) have been ministering to and we have been sharing about in our newsletters, has now prayed to receive his Messiah! Thank you for praying! Please continue to pray for this man and his walk with the Lord.

Steve also shared: "Yesterday I took my mother-in-law to get her blood work. The phlebotomist technician was drawing her blood while we were talking to her about the blood of Jesus Christ. We asked her if she had a personal relationship with Jesus Christ. How he shed His blood for her so her sins would be forgiven. She said she was a Catholic. She said that was the second time that day that someone witnessed to her about Jesus. She felt convicted. She asked Jesus into her heart!! I lead her in a sinner's prayer and gave her the tract "Do You Know the Messiah?". We gave her another tract to give to her priest, as well as one for her family. My mother-in-law was so excited that the technician came to the Lord, she forgot that the blood was already taken. She said she was ready to have the blood taken now. We laughed. Our blood accomplishes nothing but the Blood of Jesus Christ did everything for the technician for now and eternity! We rejoiced all the way home that another sinner repented!"

Labor Day Outreach

My friend **SHELLEY**, a Jewish believer in Jesus from St. Louis, flew in for outreach over the Labor Day weekend like she has done in the past. She has been visiting an elderly Jewish **WOMAN** someone had referred to me several years ago. The woman's **RABBI** found the Bible I had given her, and told her I was no longer allowed to visit her? Shelley has been visiting her instead. The woman had a dead plant in her room, and Shelley asked why she hadn't thrown it out? The woman said from her angle on the bed it looked like a cross and she just couldn't allow it to be thrown out! Please pray for her salvation.

While Shelley was in town, we worked a ministry booth at a prophecy conference at a church in my area. We equipped **PEOPLE** with evangelistic clothing and Gospel materials. On our down time from the conference, we wore our "*Jesus Loves You*" t-shirts and purposefully ate meals at Jewish restaurants in my area. Many Jewish **PEOPLE** were challenged by our shirts, some let us share and some took Gospel tracts.

We ate at one Kosher restaurant that had only one **CUSTOMER**, an Orthodox Jewish man, sitting by himself in the back section. We made sure to walk all the way to the back and sit at the table next to his. He wanted to know about our t-shirts and why we believe in Jesus, so we told him! He was very nice and spent most of the meal talking with us. He even told us about a new Kosher restaurant in my neighborhood! Please pray for his salvation as well as all the other people who were challenged by our witness.

"Again I ask: Did they stumble so as to fall beyond recovery? Not at all! Rather, because of their transgression, salvation has come to the Gentiles to make Israel envious. But if their transgression means riches for the world, and their loss means riches for the Gentiles, how much greater riches will their fullness bring!"-Romans 11:11-12

National Baptist Convention

We had a ministry booth at the National Baptist Convention in Orlando, Florida. On the way down, I had an opportunity to visit my **FAMILY**. At the convention, we equipped **PEOPLE** with evangelistic clothing and Gospel tracts. A pastor from Baltimore, Maryland purchased many "*Jesus Loves You*" t-shirts and even called after the convention to order more! This excites me because Baltimore has one of if not the largest Orthodox Jewish populations in the United States.

While I was at the convention, an obviously Jewish **MAN** turned the corner across from me and saw our booth. He was all excited to see an Israeli flag hanging in the booth, but was much less excited to see my "*Jesus Loves You*" t-shirt. He was actually in Orlando for another conference and just happened into the one I was at. I tried to share with him, but he told me I wasn't Jewish, and he didn't want to talk with me? On the way home, I stayed over my friend **JEFF**'s house near Macon, Georgia. He had

me share at his Messianic **CONGREGATION**.

Around Atlanta

LEE and I still try to eat lunch and do outreach at the mall every week. Please pray for Lee's **FAMILY** situation. As it gets closer to Christmas, there seems to be more and more **ISRAELIS** working at the mall. They get so excited by my "*Jesus Loves You*" Jewish star t-shirt and we get to share with them!

Our ministry tent making business continues to provide new witnessing opportunities. While at the business supply store, a **MAN** was intrigued by my "*Jesus Loves You*" t-shirt. He's Israeli and let me share with him! Some of the jewelry I ordered from **ISRAEL** arrived broken. I brought it to a **JEWELER** in my neighborhood I had never visited before. Not only did he turn out to be Jewish, but his **FAMILY** had a flea market booth on Long Island my **FAMILY** had a booth at! Not only did I get to share with him when I dropped the jewelry off, but I got to share with his Jewish **FAMILY** members who were at the store when I picked the jewelry up!

My new **HOUSEMATE** doesn't have a car and asked me to drive him to work. He happens to work near the Kosher Yogurt Store, and I was contemplating whether or not to stop for yogurt. When I noticed several children running around the store wearing yalmakas, I decided to stop! Apparently, one of the local Jewish day schools was having an event, and many Jewish **PEOPLE** were challenged by my "*Jesus Loves You*" t-shirt!

As I was coming out of a store, I noticed a **WOMAN** and her two **DAUGHTERS** looking at my bumper sticker collection on the back of my car. They saw the Jewish star on my t-shirt and wished me a happy new year before noticing the "*Jesus Loves You*" inside the t-shirt. The woman is Jewish, from Atlanta, lived in **ISRAEL** and wanted to know why I believe in Jesus. She spent several minutes asking me questions and was very nice. She told me she and her friends visited a Messianic **CONGREGATION** and she keeps running into Messianic Jews! I happened to have two "*I Love Israel*" t-shirts in the car in the exact sizes of her two daughters! I gave the girls the t-shirts and they were most excited! The woman asked if she could pay me, and I said yes, by reading Isaiah 53! She said she would, and that she would e-mail me afterwards. Please pray for them!

Sandy Springs Festival

This year **KERRY**, a Jewish believer who attends our weekly **FELLOWSHIP**, and I worked a double booth at the Festival. Besides giving away free Gospel materials, we equipped **PEOPLE** with evangelistic clothing items. Many many Jewish **PEOPLE** and **OTHERS** were challenged by our presence at the festival. Several Jewish people were excited to see our Jewish jewelry until they noticed our "*Jesus Loves You*" t-shirts, but many stopped to ask questions and/or take Gospel materials.
