

## **BEAVER-VU BOWL HOSTS THE 84TH ANNUAL POSTAL & FEDERAL EMPLOYEES NATIONAL BOWLING TOURNAMENT APRIL 23 THROUGH JUNE 19, 2022!**

Beaver-Vu Bowl is honored and proud to announce we are hosting the long standing and widely attended PFENBA tournament again this year, our 4th time since 2004. The association was formed in 1935 to promote and run a national bowling tournament for Postal & Federal employees, members of the armed forces and retirees from the postal service, federal sector and the military. This event, which welcomes over 3,000 bowlers and their families from across the U.S., represents a direct economic impact of over \$1 million for our community. Each of the six weekends, members of the PFENBA arrive on a Thursday and stay through Sunday, creating a strong hotel demand while patronizing local restaurants, shopping venues and attractions. Let's provide a warm welcome to our guests. We appreciate you and hope you have a great time bowling and visiting our city.
