Due to Covid 19 our parish is experiencing financial challenges. As Masses have been cancelled, we still have many expenses to maintain, such as heat, light, insurance, etc. Realizing this situation affects everyone and some more devastating than others, it can be a stressful time for families. Some parishioners have inquired about their Sunday Collection, anyone who would like to still continue your weekly collection you are welcome to do so and it would be greatly appreciated. For those who have contributed, Thank You So Much. You can mail your envelopes to the address to the left, or you can drop your envelopes in the mailbox outside the office door. When you do the latter, please ring the doorbell to notify Helen at the office that it is there so she can pick up immediately. **Please refrain from depositing at the office door outside of office hours**

Recycling Fundraiser

We have a new recycling bin, thanks to Gail Richards and her family. It is placed next to the parish centre door in front of the building. We ask that you drop off your recycling in this bin on Mondays if possible. This will give Gail time to bring the bags to the depot and get a report for the bulletin. Please remember this is for beverage containers only (pop cans, juice boxes, liquor bottles, beer bottles) not milk cartons,, soup cans or plastic containers. The beverage containers must be cleaned and caps removed as well. We got an email from the depot regarding this and we didn't get any credit for the containers in the bag. Thank you to all who are contributing to this fundraiser, it seems to be going very well. To date we have a total of \$360.55 in our recycling account.

Looking for Volunteers for Light Maintenance

Need some volunteers for some maintenance work around the parish, ie mowing lawn, painting fence and deck of house. We would like to have some teams of two people to do the mowing around the house and church. This needs to be done every 7-10 days. It's been done twice by volunteers so far, would be nice to have a few more people. The cemetery needs to be mowed as well. If you're interested call the office 834-2919.

Re-opening the Church

Greetings to you, dear brothers and sisters.

Alert Level 2 allows places of worship to open with a maximum of 50 people. We are now in the process of setting up the church to accommodate those 50 people with social distancing. We are getting closer to a date to have public worship (Mass) again. However, this can only happen with many volunteers. There will be a meeting Tuesday night, July 14, at 7:00 pm in the parish centre for all those who wish to help out. Everyone will need to be trained. Thank you for your consideration.

Stay Safe
