

## Crystal's Story...Triplets!

When Crystal first came to us she was overwhelmed about the idea of having triplets but she realized, "God would not have given me something that I cannot handle"

Though born earlier than expected, all three boys, Colin, Duncan, and Liam, have been resiliently healthy. They were able to come home from the hospital in January ahead of their due date.

Crystal was at the center regularly prior to delivering to prepare for parenting. She has been very appreciative of all the help and support that has been shared from the community. Multiple churches have provided material support and the boys were recently baptized.

**THANK YOU** to San Andreas Print Shop for donating the printing!

Crystal reports that it is going great with three boys, that though there are rough days it's not as hard as people made it sound.

We ask for continued prayers for Crystal and her family as they work together to care for these boys and for the boys that they flourish in their growth and health.

We pray that all our clients and supporters feel peace in God's plan for their lives as Crystal conveys in becoming a mother of triplets.

### Fundraiser at Villa Vallecito Vineyards Tasting Room

If you'd like to purchase See's candy and support CPC you can now do both at Villa Vallecito Vineyards tasting room in Murphys (263 Main St.).

### The KYCC Diaper Dash was a big success for CPC and a lot of fun!

We collected over 10K diapers, raised over \$1000, and came in 4<sup>th</sup> place among regional pregnancy centers.

Thank you to all the individuals and churches who donated. Special thanks to Libertas Academy/CFLC in Angels Camp for helping out at the center during the event and contributing about half of the total amount of diapers we received.

## Introducing our new Office Manager

In September, we were blessed to have Jeaniene Wisdom join our staff as the Office Manager. Jeaniene owned and operated Lighthouse Christian bookstore in Jackson for 10 years and more recently worked for Calaveras County Health & Human Services. Jeaniene is a 6<sup>th</sup> generation resident of Calaveras County and has raised three children here with her husband Mark. She now enjoys spending time with her five grandchildren (with #'s 6 and 7 on the way) and working at CPC. She looks forward to meeting every one of you and encourages you to come in, introduce yourself, get to know her and all that we are doing here.

## Post-Abortion Bible Study Openings for this Spring

CPC will be running another session of "Forgiven & Set Free" for women coping with loss or grieving after an abortion. The program will start mid-March and run 8-10 weeks. Please contact the center at (209) 736-9600 if you are interested in learning more or participating.

## Walk for Life 2023 March 25 in Angels Camp

Join us to celebrate life and raise awareness about pro-life resources in Calaveras County.

The walk begins at 10am at Frog Jump Plaza in Angels Camp and will proceed to Utica Park where there will be food and speakers.

You do not need to register to participate, but registered walkers can raise funds for CPC.

You can find information about the walk, registering as a walker, or sponsoring a walker at [www.support4life.info/events.html](http://www.support4life.info/events.html) or here:

Spring 2023

The Lord has blessed this ministry in so many ways over the years. One of the biggest blessings is the opportunity to serve twice as many clients in 2022 than in years past. In 2022, fifty-seven women received Christ-centered care for their pregnancy or parenting-related needs. Thirty-six women received an ultrasound in our office that provided for a fuller understanding of their pregnancy and a connection with their newly-formed child. We are off to a strong start in 2023!

With your prayers and support we hope to continue serving to this capacity and reach even more new clients due to greater awareness of our services and ministry.
