25 **Travel**
Castle in the Ozarks

As I write this article I gaze out my office window and see buds about to bloom, the sky is bright blue and the grass is starting to take on the new green that you only see at the beginning of the spring season. Maybe because we had such a harsh winter for our part of the country that spring seems more amazing this year. Everything is refreshing and the air smells crisp in ways that resists explanation. I hear the fountain outside making a soothing sound and all seems right with the world.

This issue is our special Polo Edition and we hope you enjoy it. We have been promoting polo in the 380 corridor for the past few years. The evening polo matches are great family entertainment and very affordable. The sport is majestic to watch and there is always great conversation in the grandstands. We hope that you and your family will join us out at the field this year. Bring a picnic and a blanket and enjoy the entire polo experience.

Along with the new polo season we are happy to announce the new website for our sibling publication 380News. The new design will allow us to immediately update information, such events and fundraisers that falls between our publication periods. It will also allow us to update the news from the schools and other local sources on a more regular basis. Please visit www.380News.com and as usual, your feedback is always welcomed and encouraged.

Once again, I would like to thank all of our You Can Take It With You contributors. It is always fun to open up an email with a photo of our readers with their 380Guide in some fabulous destination. Please keep them coming and we will keep printing them! Thank you for sharing your travel experiences with us. Please send your photos to YouCanTakeItWithYou@380Guide.com.

On Page Five, we normally feature people in our community that go above and beyond for their community, humanity and the arts. In this issue we are changing it up a little to feature an organization that helps children in Denton County. Denton County Children's Advocacy Center is the organization that Polo on the Midway will make its donation to this year. The 380Guide Cup plays a large role in Polo on the Midway so it seems on fitting that we highlight this organization in our Polo Edition.

PRESTONWOOD POLO & COUNTRY CLUB

OAK POINT, TEXAS

www.PrestonwoodPolo.com

Welcome to Prestonwood Polo & Country Club, we are a family owned and operated club dedicated to making polo accessible to everyone in North Texas. Polo is the greatest sport in the world and has been a blessing to our family, we would like to share that same wonderful polo experience with others. Polo is now in your backyard in the North Texas area and with the opening of the new Lake Lewisville Toll Bridge, we are easier than ever to get to. Our club offers Denton and Collin County families a unique alternative for something to do on a Saturday evening, so bring your friends and family out to watch the thundering hoofs, beautiful setting, friendly people and partake in the traditional half-time champagne divot stomp... the champagne is on us!

It was appropriate that we opened in 2008 on the 40th anniversary of our affiliate Prestonwood Country Club's opening in Dallas in 1968. After overcoming many obstacles we have made our dream a reality. Since then we have experienced tremendous growth, with dozens of new polo fans, members and sponsors, we are so thankful to all of you for your support. For polo players we offer a club for players that actually like to play and we purposely keep our greens fees as low as possible. We have big plans in the works and each year will add new improvements for everyone to enjoy. This year we have added a new full-size regulation polo arena designed for competitive interscholastic and collegiate polo. The saying is true...life is good at Prestonwood!

Sincerely,

Vaughn and Dena Miller

In Memoriam
Norman Brinker
 1903-2009

2009 saw the passing of Norman Brinker, a Dallas-Icon who changed the way America eats. He was just as legendary in the Polo world as the restaurant world. In 1972 he founded the Willow Bend Polo & Hunt Club in Plano and grew it into the largest and most successful polo club in the world. In its heyday, Willow Bend was the place to be on a Sunday Afternoon for celebrities and locals alike during what many have called the "golden years of polo in Texas." Back then Willow Bend was considered to be out in the country...just like Oak Point. At Prestonwood we honor the memory of visionary Norman Brinker.
