DESCRIPTION: Great looking Ernie Root designed vintage recurve. Factory installed stabilizer bushing. No delamination; no cracks; limbs are straight. Riser is in near mint condition. Tip overlays are in great condition. No drilled holes. No chips, dings or cracks. No crazing. The only flaw that keeps this from being an excellent near-mint bow is the cosmetic stress lines above and below the riser on both sides of the limbs (see pics). Still, this is a really nice bow in excellent condition for its age.
