Upcoming Adult Fiction

The Seekers - Heather Graham

Keri Wolf has joined the crew of *The Seekers*, a show that searches for paranormal phenomena, as they explore a supposedly haunted old inn on the road between Philadelphia and Harrisburg. The place is famous for its warm welcome—and infamous for being the site of an ax murder rampage in the 1920s. They've barely begun when a very real dead body is discovered in the basement. As a nonfiction author, Keri is supposed to be the rational one, but she can't explain a terrifying apparition that seems to be both a threat and a warning.

Former detective Joe Dunhill knows what she's going through—the strange gift of being able to see and talk to the dead is a struggle he shares. A new member of the FBI's Krewe of Hunters, he's on the team investigating the disturbing death. The town is steeped in old-fashioned superstition, and the deeper Joe and Keri plunge into the dark secrets of the inn, the closer they get to a devastating truth. Will a bloody history be repeated? Or can the spirits of the past reach out to stop a killer?

Upcoming Adult Non-Fiction

On Being Human - Jennifer Pastiloff

Centered around the touchstone stories Jen tells in her popular workshops, *On Being Human* is the story of how a starved person grew into the exuberant woman she was meant to be all along by battling the demons within and winning.

Jen did not intend to become a yoga teacher, but when she was given the opportunity to host her own retreats, she left her thirteen-year waitressing job and said “yes,” despite crippling fears of her inexperience and her own potential. After years of feeling depressed, anxious, and hopeless, in a life that seemed to have no escape, she healed her own heart by caring for others. She has learned to fiercely listen despite being nearly deaf, to banish shame attached to a body mass index, and to rebuild a family after the debilitating loss of her father when she was eight. Through her journey, Jen conveys the experience most of us are missing in our lives: being heard and being told, “I got you.”

Upcoming Young Adult Fiction

The Everlasting Rose - Dhonielle Clayton

In this sequel to the *New York Times* bestselling novel, *The Belles*, Camellia Beauregard, the former favorite Belle, must race against time to find the ailing Princess Charlotte, who has disappeared without a trace. The evil queen Sophia's imperial forces will stop at nothing to keep Camille, her sister Edel, and her loyal guard, Rémy, from returning Charlotte to the palace and her rightful place as queen. With the help of an underground resistance movement called the Iron Ladies--a society that rejects beauty treatments entirely--and the backing of alternative newspaper the *Spider's Web*, Camille uses her powers, her connections, and her cunning to outwit her greatest nemesis, Sophia, and attempt to restore peace to Orléans. But enemies lurk in the most unexpected places, forcing Camille to decide just how much she's willing to sacrifice to save her people.
