Pediatric Physical Therapist

Kidnectivity, Northbrook, IL

Kidnectivity, a pediatric therapy practice, is seeking a full-time Physical Therapist to provide therapy services and to lead classes for children of all ages and abilities. We are committed to providing high-quality therapy services to children and therefore are eager to support our clinicians, including lectures, mentorship and continuing education. We are a collaborative and supportive practice seeking like-minded therapists to add value to our team. Salary is generous and based on experience. Onsite child care is a possibility. Interested in joining us and growing in a fun and flexible environment, contact Jeni Bates jbates@kidnectivity.org.

Responsibilities include:

- Complete related service procedures: treatment planning, record keeping, and progress reporting.
- Develop supplementary documents and/or materials relevant to treatment goals and implementation.
- Administer evaluations in areas of clinical competency and complete written evaluation report.
- Communicate effectively with child's parent(s) regarding progress and/or concerns.
- Provide materials relevant to child's strengths and needs to parent(s) and/or instructional staff.
- Participate in professional development opportunities as needed.
- Communicate concerns and needs to Director.

Education/Experience:

- Current physical therapy license in Illinois.
- Training in NDT and/or orthotic management a plus.
