

Classroom News

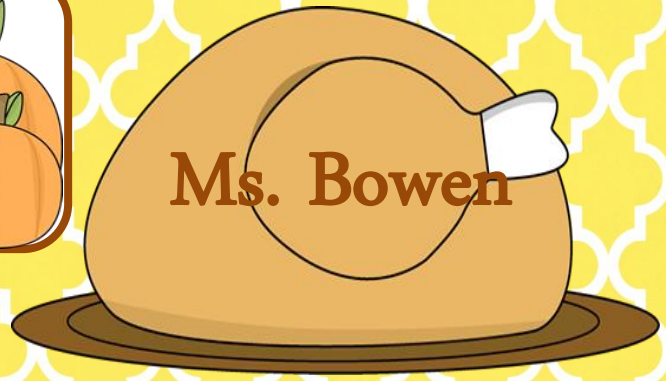

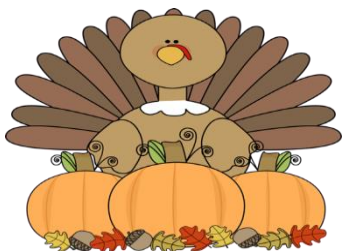

I would like to thank all the parents that were able to make it to conferences. I appreciate all the support received and all the effort put forth on your part in the education of your children.

Please note that class starts at 8:15 and academics start at 8:30am each day. During that time we are learning our phonograms, giving out jobs for the day and going over today's lessons. We have a lot of fun activities going on in the next few months, so please remember to check your child's folder. They are also very excited to tell you what they have created and learned each day!

On Tuesday November 26th we will be having a Thanksgiving "Feast" for our lunch. A sign up sheet for parents to donate food and supplies will be outside of the class starting next week.
