

DENISE JUSTICE

What you can expect from studying with Denise. Knowledge is power & Art Fundamentals is the foundation to most art, getting the best results with the least amount of resistance. This makes art fun. Denise has over 35 yrs. experience as a professional artist, studio & gallery owner. Today she is enjoying the benefits of life and sharing this with others. Denise works with each artist at their own level. It's much easier for artists using artistic tools which include value, composition, drawing and color theory - saving the artist both time and frustration. During FL season, in addition to her art classes, Denise has a monthly workshop. Feel free to contact her through the website or Facebook. Reservations can be made online.
