

STEVE EICKMAN,
REGIONAL SALES
MANAGER

Steve originally joined Batsner in 2004 to cover most of the state of Indiana.

He is a native Hoosier and resides in Indianapolis.

He is attuned to the needs of manufacturers in the area and is an excellent problem solver. Steve has a Bachelor of Science degree from the Kelly School of Business at Indiana University and is active in most local bulk material trade organizations. Let him help you with your bulk material transfer, level issues, or gas and fire protection.
