

# LBVCA UPDATE

## From the President

by *Debby Maule*

I want to thank everyone involved with the LBVCA July 4th Celebration this year. What a perfectly wonderful weekend with great weather, great friends, good food, and FIREWORKS!!! We've got plans for an even bigger show next year, so set your calendars for July 3, 2015. We will be having the celebration and fireworks on Friday, July 3rd with a rain date on Saturday, July 4th.

The plans are moving forward on the new Maintenance building. The foundation work will be starting soon, and we hope to have the building up in time for the annual "Fly In" on September 13th. This new building will better serve the needs of our Roads & Maintenance Department. The foundation of the old building will be used as a place to store road materials provided by the county.

The Board has had time to study the findings of your Vision Committee who identified what you want the Village to look like in the next ten years. We are going to have a special General Meeting of the membership on Sunday, August 17th at the Village Hall to discuss these findings, the board's response, and the board's recommendations. This will be held at the Village Hall. Please make plans to attend this important meeting. We need the support of everyone to help make Lost Bridge Village a great place to live and a good investment.

Covenants enforcement has been a big topic for the Board since the General Meeting in March. You will be receiving more information on this very soon, but in the meantime, please look around your property. Storage of junk, inoperative vehicles and other unsightly objects on your property or street is in violation of the Covenants. Permanent parking on the street is prohibited and hinders the passage of emergency vehicles. All lots should be kept in a sanitary, healthful and attractive condition. If your grass is over 2 ft. tall...it's time to mow! We need to clean up the Village and it starts with personal responsibility.

One of your Board members, David Myers, resigned on July 14th. David felt he needed to devote more of his time with his work as a Chaplain. David has faithfully served LBV in many capacities, and on behalf of all of us, I want to thank him for his service.

On a sad note, we have lost 4 members of our community since our last newsletter. We mourn the passing of Richard Marshall, Bill Gardner, Terri Cassity, and Wayne Launderville. It reminds us all to make the most of the time we have left and never take for granted how lucky we are to live in such a caring community full of wonderful people.

**IMPORTANT!!! THERE WILL BE A SPECIAL GENERAL MEETING OF THE MEMBERSHIP ON SUNDAY, AUGUST 17TH, AT 3:00 P.M. IN THE VILLAGE HALL. PLEASE PLAN TO ATTEND.**

**INJURED OR DEAD ANIMALS :** To report an injured or dead animal (deer, raccoon, etc.) and have it removed from your yard, a culvert or the road, contact the **Arkansas Game & Fish Department** at 1-866-253-2506. (They'll need the street address of where the animal is located.)

If you find **deer parts** on your property (left behind by illegal hunters), you may bury them but **NOT** burn them (according to the Dept. of Environmental Quality). If you find deer debris on the highway, call the Benton County Road Dept. (479-271-1052) to have it removed.

## ROAD CONDITIONS:

Motorists interested in weather-related road conditions can get information from the AR State Highway Department:

- Public Affairs: 501-569-2227
- Toll Free: 800-245-1672 (recorded message)
- Local: 501-569-2374 (recorded message)
- Website: [www.arkansashighways.com/](http://www.arkansashighways.com/)

## BURNING ON YOUR OWN PROPERTY

If you plan to do any burning on your property you **must** get a burn permit beforehand from Benton County. (If you don't and a fire truck comes out because someone reports smoke at your property, you will be charged for the fire service call.) Call **Benton County** at 1-866-207-5140.

## VILLAGE ROADS:

Green and Blue street signs in the village are county roads. If you live on a road with potholes or lots of ruts, call Jeff Clark at the Benton County Road Dept. (479-271-1052) directly to have it repaired. You do not need to call the Village Office or wait for a Board meeting to report it.

## CLEANING UP YOUR PROPERTY:

**Please remember:** If you hire someone to rake leaves or clear other yard waste from your property you **MUST** inform them they **CAN-NOT** push it into a ditch or culvert or into the street. There is no city truck coming by to pick up yard waste. **YOU** will be charged a clean-up fee if LBVCA has to clear it.

## Social News...by Debby Maule

We kicked off the summer with a great June Social at the Rec Center. Many thanks to the hosts: Larry & Peggy Webster, Glenn & Leslie Dettmann, A.J. & Flo Anglin, Bob & Patti French, and Roberta Heaton. Some of our favorite LBV musicians provided live music - John Rainone, Don Kotouc, and Ray Millon. Great food, good friends and REALLY enjoyable music...one of the best socials I've ever attended! Ray, you've converted me to a HUGE harmonica aficionado.

We had a very successful LBV July 4th Celebration. The weather was perfect and we had a HUGE crowd come out for the festivities. Many made donations for the fireworks display and we appreciate all the support making it possible to continue sponsoring a venue so many look forward to and enjoy. I apologize to anyone who didn't get food, I promise we WILL NOT run out of food next year! I have many to thank for making it such a wonderful evening:

## BURN PILE INFO...by Debby Maule

The Burn Pile is permanently closed due to a villager's complaint to the AR Department of Environmental Quality. Please DO NOT dump any yard waste (or construction material or household trash, etc.) in front of the gate. Your cooperation will be greatly appreciated.

## Parks & Recreation...by Steve Bray

Big changes are happening at the Rec Center. Stop by to say hello to Bill Magnuson, our new recreation center manager-in-training. For the remainder of the season, Bill will be working alongside Charlie Norris, our retiring manager. This will allow us to extend the pool hours to include being open on Monday, and to open earlier (at 10am) on weekends. With the passage of an assessment increase, we should be able to make the extension permanent next year. So all you part-timers, come on down for a long weekend and enjoy the remainder of the Summer.

The 4th of July celebration exceeded all expectations. The show was a blast, attendance was tremendous, the band was great, and everyone had a good time. We promise not to run out of food next year!

A generous \$300 donation to the Rec Center/Pool was made by Tom & Hollye Harrison. Ken and Valerie Bell donated a wide screen TV, which is being much enjoyed by the Wii game players. A big "Thank You" on behalf of all of us who use these facilities.

Soon you will have the opportunity to vote on an increase in the assessment rate and covenants changes. In addition to planning for a replacement recreation center, one of the things your board is considering is instituting "mini-parks" throughout the Village using land that is not suitable for building a home, but could support a small play or picnic area. We would really like to get some recreation amenities in those areas of LBVCA which are not conveniently located near the Rec Center. The idea of a golf course at Posy Mountain (commercial partnership) is also gaining traction. In order for these initiatives as well as others to have any chance of happening, your support for the assessment increase and covenants changes is needed. More information is forthcoming and is available elsewhere in this newsletter. If you have any questions or comments, please contact myself or any board member.

## POSY MOUNTAIN RANCH COVENANT REVIEW COMMITTEE

by Randy Haley

Just to let everyone know, those letters sent out to Posy Mountain property owners were not sent in vain. We now have a combined group of owners, of both residents and non-residents, that seems very like-minded on things better suited for our part of the village.

The main question I have been asked over and over is, "Why do we need change and what is the reasoning behind it?" My answer has always been: 1) to improve the standards in our area due to us being a rural setting instead of a city setting, 2) to improve the possibility for someone to advertise and sell their property, and 3) to add to the value of our property by improving the roads and the aesthetics of our area.

Posy Mountain has sat idle for way too many years. It is time we change our "scrub", unused land into nice home sites in a great area to live, raise a family or just retire and enjoy the area.

Thanks for all your support. In the near future I hope to see our area grow and prosper.

## BookTalk

by Pat Testut

A wide variety of summer books and DVDs are now in our library. For all of you Downton Abbey fans we have "Cavendon Hall" by Barbara Taylor Bradford, and for our mystery readers we have "FaceOff" by David Baldacci and "Midnight in Europe" by Alan Furst. Supernatural books include "Mr. Mercedes" by Stephen King and "A Discovery of Witches" by Deborah Harkness. Elizabeth Warren has written a new book, "A Fighting Chance", about her life and how she became a champion for the middle class.

DVDs we've added to our collection include, "The Monuments Men", "Lone Survivor", "Her", "Non-Stop", and "The Book Thief".

We're expanding our children's corner by adding a colorful rug, children's themed book-ends and additional donated children's books. We're looking for a small child-sized rocking chair to provide a spot for kids to read. If you have one that is in good condition that you no longer need it would be greatly appreciated.

Our library has been given a box of large print books from the Friendly Book Store. Once they are processed they will be located in the new book section. Look for the smiley face on the spine of the book.

For any questions regarding the library I can be reached at:

## KEEP LBVCA BEAUTIFUL!

**TO ALL PROPERTY OWNERS,  
INCLUDING PART-TIME HOMEOWNERS AND  
LOT-ONLY OWNERS**

**Remember:** It is your responsibility as LBVCA members to keep your property in good condition. Keep grass mowed, weeds removed, shrubs trimmed, and ditches and culverts clear of leaves and debris. Your efforts will pay off in maintaining your property value.

**Please also remember:** the BURN PILE is closed so you must dispose of leaves and yard waste properly. Either burn it on your own property (be sure to get a burn permit!) or take it to Benton County's Centerton location for disposal.

### Missing from the Community Building

We are sorry to report that the beautiful framed aerial photograph of the Community Building and Lodge next door was apparently removed from the building on July 22nd or 23rd. If you are the person who borrowed it we kindly ask you to return it at your earliest convenience.

Our Access Code system has provided us with a log for those dates. Please remember, we are all neighbors. We would prefer to not install security cameras.

Thank you.

### ARCHITECTURAL CONTROL COMMITTEE — Jon Testut, AC Committee Trustee

The ACC is a subcommittee of the LBVCA Board of Trustees and is charged with overseeing construction of new residences as well as the remodeling of existing dwellings. We encourage homeowners/builders/contractors to be aware of and abide by the LBVCA Building Practices and Guidelines whenever they expect to build new or remodel old. A copy of the Guidelines may be obtained from the Village office and will soon be posted on the LBVCA website at [www.lbvca.com](http://www.lbvca.com). Be sure to contact the LBVCA Office (479-359-3204) before you begin any construction.

## Roads & Maintenance — The Road Ahead

By Jon Testut

The Village has acquired road patching material, and we will make efforts to fill and repair potholes around the village. Please be patient as we try to attend to all the locations in need. Be careful as you drive on Village roads, noting that the crew may not see or hear you while they are operating their equipment. Give them a width berth.

The Burn Pile is closed. Please do not bring your yard waste to the site since the gate has been locked and code access deactivated. DO NOT leave these items at your curbside as the Village CANNOT pick them up. If you choose to burn these items on your own property, please note if there is a Burn Ban on for the day, and be sure to call CENCOM (1-866-207-5140) to notify them of your intention to burn. Failure to do both steps may lead to an illegal burn and subsequent fines. Be safe, not sorry.

One last item...when attending to your yard maintenance, please do not direct or discharge grass clippings, leaves, branches and the like into the streets and roadways. This not only becomes a road hazard, but causes extra cleanup work for our Roads & Maintenance crew.

**Trustee Advisors:** Jon Testut and Pete Sams
