RESPECT LIFE

October is National Domestic Violence Awareness Month

Enhance your efforts to address domestic abuse and violence and promote family peace. We aim to inform the Catholic community on ways to promote family peace and prevent and respond to domestic abuse and provide resources and promote prayer for all families. Our initiative provides education, resources, and research that helps pastoral leaders, clergy, and parishioners recognize domestic abuse and respond with compassion. To learn more, please visit www.catholicsforfamilypeace.org

Why is the Catholic Church such a strong voice for life?

The Catechism of the Catholic Church puts it this way::

"Human life must be respected and protected absolutely from the moment of conception. From the first moment of his existence, a human being must be recognized as having the rights of a person-among which is the inviolable right of every innocent being to life..."
