One of the market's specialty stores is stuffed with all kinds of kitchen supplies. The Houseware Place has been in business since 1987 and is located on the big corner of South St and Row E-South. The Houseware Place is where you can pick up all those hard-to-find handy gadgets for your kitchen. Michelle (owner) and

Annie (manager) are likely to have exactly what you need among their vast inventory. Silverware, serveware, baking pans, stainless steel, wood and silicone kitchen tools, specialty knives, coasters, pot holders and the list could go on and on. Among the most sought after items are their Rada stainless steel knives and their specialized kitchen products.
