BIRDS OF EL PASO COUNTY, TEXAS

Field Checklist

KEY TO SYMBOLS

A = Abundant — normally present in large numbers in proper habitat.

C = Common — normally present in moderate numbers in proper habitat.

FC = Fairly Common — seen most of the time in smaller numbers.

U = Uncommon — seen irregularly in small numbers in appropriate environment.

R = Rare — occupies only small percentage of preferred habitat, or a specific limited habitat; usually seen only by experienced observers.

Accidental — seen only once or twice in this area, which is outside the normal range of the species; additional sightings unlikely.

\* = Nesting species

Compiled for the El Paso Trans-Pecos Audubon Society by William H. Hunt and Geth Osborne White.
