

THIRTY THIRD MEETING OF THE MIRFIELD NEIGHBOURHOOD PLAN GROUP
ON TEAMS
THURSDAY 18TH FEBRUARY 2021@19:00 HOURS

PRESENT

John Roberts, Christine Sykes, Philip Tolson and Cheryl Tyler
The meeting was hosted by Nick Beedie (Principal Urban Designer).

APOLOGIES

David Gluck (Consultant)

MIRFIELD DESIGN CODE OVERVIEW

Nick Beedie went through the document on screen share. He's prepared to submit to Locality at the last minute. The group agreed unanimously that Nick Beedie had done a wonderful job

Action Points

NB to send on-line copy for critical review

Team to submit their reviews to CS ASAP

CS to collate the feedback and submit to NB so that he can submit to Locality on or before 24th February

NEXT STEPS

Think about identifying other areas in the town suitable for conservation. There is a listing that identifies local heritage and assists in the production of a local heritage list

Critically review existing buildings, bearing in mind that this was an opinion based exercise.

A discussion took place relating to the new conversion in Trinity Street which is the change back from one cottage to the original four with the addition of 21st C modernisation.

Action Point

CS to contact architect for suitable photos

NB to supply link to local listing document
