	7"		105.42	127.68	154.69	182.85	218.59	240.74
	8"		115.82	139.48	168.02	197.69	235.45	258.28
	9"		133.39	160.73	199.06	226.34	259.96	293.22

Special Considerations:

Specify whether the fitting is screwed, socket weld or weld.

Please specify whether your are using PVC, Metal Jacketing or Mastic for the Tees.

PVC - PIC, Ceelco, Speedline, Proto, Zeston, etc.

Metal - ITW (Pabco-Childers), RPR, Gasco, etc.

We can fabricate insulation for Tees that are Metal Compatible at no additional charge.

Specify poundage if applicable: 150, 300, 2000, 3000, etc.

Reducers require 4 numbers (3" X 3" X 2" X 1-1/2"). The first 2 numbers are the nominal pipe size.

The third number is the reduced pipe size and the fourth number is the insulation thickness.

Notes:

Refer to General Information for Ordering Fittings.

This page does not include prices for Flanged, Victaulic or Ductile Fittings.

Pricing for PVC and Metal jackets are not included on this page.

Prices are subject to change without notice. Terms: Net 30 Days. FOB: Shipping Point.
