

THE LAST SHEMITAH

IS PSALM 90 FROM 1948 OR 1949?

Questions Regarding the Timing of the Tribulation Period

The purpose of this study is to consider the question whether the 7-year Sabbatical Cycle or the Shemitah terms is indeed calculated from 1948 or 1949? Or rather is either year the correct one in determining when the 'Last Shemitah' is to occur? One is of the opinion that the Last Shemitah or the 7-year Sabbatical Cycle will coincide and have to be Daniel's 70th Week of Years. This will indeed be the 'Last Shemitah'. If world events like COVID are any indication of how close the world is to entering this Last Shemitah, the governmental declaration of Macron of France and Johnson of the UK are an Orwellian prelude to what is surely coming. In fact it is 'Prophetic'. As the Nations of Australia, Canada and New Zealand in particular are imposing new rounds of Draconian Lockdown measure, it is exactly what the Game Plan has been about all along.

This Game Plan was written a decade ago, called Lockstep in the Scenarios for the Future. This was a Rockefeller Research Paper in which outlined how a Virus from China would make way for a Lockdown of the entire world. Then Face Masks would be required of all People and in anticipation of resistance, a need a more 'Totalitarian' stranglehold would be implemented. Such measures show that Political Puppets like Macron and Johnson are not really 'elected' by the People or for the People. They do not have the best interest or Mandate of their People. Rather they are given and carry-out the Mandate of their Masters. Such are the Rockefellers, the Rothschilds of the World that are sick Pedophiles, Luciferian Eugenics bent on 3 objectives. They are to Cull, Contaminate and Control all of Humanity. Why? To such demented and described Old Men and Women, they presume to be the 'Owners' of Planet Earth.

And as such, they see its Resources being theirs and the 'Masses' overrunning and consuming their Resources. Presently, it is they that own and control all facets of such Resources. But it has be acquired by theft, lies and wars. And for them, the time has that they now possess the technology to Cull, Contaminate and Control all of Humanity. The difference is that they will not be doing it with managed wars, bullets or planes. In fact, this last ingenious plan is to have Humanity help them do it to themselves. How? Enter the COVID plandemics. This is precisely what the Lockstep Report lays-out and how subsequent renditions of their diabolical plans have panned-out like ID2020, Agenda 2030, Event 201, etc. It is through their Injections that their biometric control grid has to be set up. It is imperative for their whole plan to success and is at the center of their efforts now. How is this related to the Last Shemitah or Daniel's 70th Week?

Countdown Clock

It is very relevant as the World and Humanity are being transitioned into the Beast System, 1 Injected person at a time. This is outlined in the book of Revelation as the eventual Mark of the Beast. Anyone not willingly accepting it, will essentially become a Death Sentence in that one will not be able to 'Buy or Sell' without it. And this if one survives the Shots. The actual 'Mark' occurs in the midst of the last 7-year Sabbatical Cycle before Jesus returns. Thus, how close is this Last Shemitah to commence if such dire Signs are so prominent now? Those who have studied End Times scenarios strongly suggest that this prophetic ending is tied to the rebirth of the Nation of Israel. Now the question will be, what year? 1948 or should it be really 1949 instead? Or what about a totally different year? If one is suggesting a 2022-2029 Tribulation Period, what start date is being used and how it is tied to the Shemitah or 7-year Sabbatical Cycles?

The prevailing supposition is that since Israel was reborn in modern times in 1948, that is the year the 'Countdown' should start to the Last Shemitah. But is the Last Shemitah tied to or calculated specifically from 1948 or 1949 to determine the start year for the Tribulation Period? The question has been asked if using the Sabbath Cycles from when Israel obtained a political independence is the correct start year. Consider that this Researcher strongly suggests, as others that the countdown to the Last Shemitah is not necessarily contingent upon the rebirth of Modern Israel, although significant but that the countdown begins when Israel crossed into the Promised Land. And then only after the 1st Harvest Year was completed.

Nonetheless, this countdown to the Tribulation Period or the Last Shemitah is based on the Sabbath Cycles, which is the work of Sir Robert Anderson and Floyd Nolen Jones. They come to the same year count in different ways. Anderson picks it up from Daniel of when the Messiah or Jesus would ride into Jerusalem, on the precise Sabbath, April 10, 32 AD, not on a 'Palm Sunday'. But it is Jones that has calculated the start of the Sabbatical Cycles from Israel crossing into the Promised Land but after they had their 1st Wheat Harvest. It is from that year after that point on that the countdown begins. This, of course is 1 theory and calculation among many. The article links will be included at the end of the sections. But their calculations then, not only synchronize with each other, but with the year 28 AD, that one has calculated is when Jesus proclaimed the Jubilee Year in the Fall, Yom Kippur precisely.

Thus, having these 3 main points for a solid triangulation, one can have a measure of confidence that the Sabbatical Cycles are correct as many believe the count is off or lost and cannot be determined specifically. This is also to dispel the notion that many believe Jesus, at His return will be a Jubilee Year. This is not the case. If the calculation is correct and 2029 is the year of Jesus' return, that year will not be a Jubilee. It is interestingly occurring within the 70th Jubilee Cycle though to conclude Daniel's 70th. So, lots of 7's all converging at the end, i.e., the book of Revelation that is also all about the 7's. The other evidence is circumstantial as it pertains to how the Sabbatical Cycles, which are tied to the Agricultural Harvest Cycles and of rest of the Land have had 'Resets' correlated to Economic Resets. Consider the prior Economic Cycles Resets in the world: 1994, 2001, 2008, 2015, 2022, etc. These have all been 'Shemitah' Cycles.

Countdown Calculations

So, sometime in 2022, the New World Order will convert to a Digital World Currency, to be set-up biometrically into one's body for the Beast System and coming Mark of the Beast. As to the Last Shemitah, the countdown to 2022 possibly is what one has come to understand will start the 'Last Shemitah'. So, such a speculation and conjecture are just 1 of many assessments out there. First of all, the scenario and order are very vague in the Bible, on purpose. That is why there are so many speculations as to the details of when the Tribulation Period is to start. Of course, one can be off and wrong but here are the calculations that appear to confirm a 2022 start of the Tribulation Period, in the Fall though.

1-From Israel, using 1948 with the Parable of the Unfruitful Fig Tree (4 Years total).

1948 + 70 year generation = 2018 + 3 Years + 1 year = 2022

2-From Israel being admitted to UN and Decree to 'rebuilt Jerusalem'.

1949 + 80 year generation = 2029 - 7 year Tribulation = 2022

These calculations appear to be in sync to the 2 timelines of Anderson and Jones. It will be the 1st year of 7-year Shemitah that is the 495th Sabbath since Israel entered the Promised Land.

= Fall **2022** to Fall **2029** (The 'Last Shemitah'.)

One can only attempt to fill-in the 'gaps' with Theory. A key component of the Last Shemitah though, will be a 'Confirming of the Covenant'. What is this precisely? What Covenant? Is it the Adamic, Noahide, Abrahamic, Davidic? The other key clue is that specific day counts are given. This day count is directly connected to when the Daily Sacrifices begin and are stopped. This is profound and with such day counts that are specific to the day, one can reverse engineer the timeline. Thus, pertaining to the Last Days and the Last Shemitah, one believes that the 'Confirming' is different than when the Daily Sacrifices begin but they are not mutually exclusive. The 1st allows for the 2nd.

One would agree that the mere notion of there being a 'Confirming' is talking about something that already is in place or understood. The issue of the Daily Sacrifices for is precisely contingent on the day counts as taught and revealed in both Daniel and Revelation. The Last Shemitah thus has a direct connection to Days, specific to when the Daily Sacrifices are stopped. This will be on the 1260th day. It is the 'Confirming' that sets the entire perimeter of the 7-year Last Shemitah of 2520 total day. It is then in the 'Midst' of this 2520 day count that the Daily Sacrifices is stopped. Why?

What is the Covenant?

This is yet another significant key and time marker that Jesus referred to as the start of Jacob's Trouble or the Great Tribulation. This is in fact the time when the 'Confirmed Covenant' is broken of which Jesus warned the Remnant of Israel to then flee from Jerusalem. It is at this time that the false Messiah or the AntiChrist will demand direct worship as 'God' from the Jews and the World. The method? It will be through the Mark, biometrically introduced to the physical body of People. So, reverse engineering the timeline, one can then determine the beginning of a Sabbatical Cycle. And if the Rabbinical Calendar is accurate and the Anderson and Jones timeline of years is correct, then the Fall 2022 to Fall 2029 will be that Last Shemitah, that of Daniel's 70th Week of Years. As mentioned, it will also coincide to the 70th Jubilee Cycle since Israel crossed into the Promised Land. As a reader of this study, you all are welcome to download the book on this precise subject entitled, the Temple Daily Sacrifices.

The link will be at the end of this section. One knows that there is much debate about what is the Covenant that is to be 'broken' at this midpoint of the Last Shemitah time. The issue is what is the Covenant in question? Some say it will be the Oslo Accords. Is it the Land Grant, of the Promised Land? Most likely. One would agree. The Land Grant has been reiterated on at least 3 occasions with Abraham, Isaac and Jacob. But there are the other Covenants as mentioned. There is one with David about the Kingdom, then the New Covenant, etc. So, if it is the Land Covenant, then yes, it is already in place. The only issue is that if it is this one, realize that it then goes beyond just the Jewish Patriarchs as it now will have to be 'Confirmed' also with the 'Many'.

So, most likely this 'Confirming' will deal with the Promised Land as that is the main contention of the Arab-Jewish Conflict. One is of the opinion that the 'Strengthening' meaning to 'Make Greater' or to 'Sweeten the Deal' is the 'icing on the cake', as it is said. It will have to do with the building of the 3rd Temple for the Jews. To the Jews, they cannot move on this item until they get 'permission' from their Messiah to do so. All this to say, that the converging of specific prophetic factors will come together in a most spectacular way. Most notably, one believes that this scenario will play out as Israel wins the next major Regional War. This scenario will probably occur after the Rapture when no more USA Christians of the Church Age will be around to support Israel. Israel's Muslim Enemies since Trump's have already been will embolden to attack Israel.

It will be this Inner-Ring of neighboring Muslim Nations that will attack Israel, soon. Then Israel will win and will be the nexus point in time wherein the AntiChrist will come on the scene and will present himself as the Messiah. It is a 'reverse engineering' of factors as this AntiChrist will then guarantee Israel's 'Peace and Safety' for 7 years. To 'sweeten the Deal', he will offer or sanction the building of the Jewish 3rd Temple. This will then facilitate the start the Daily Sacrifices. Realize that it is not the Rapture event that commences the Tribulation Period of 2520 days. Nor is it the 'Confirming of the Covenant'. It will be the 1st day that the Daily Sacrifices begin. Having this understanding and possible timeline to work with, once can delve into a specific day count. See article, Sign of the Son of Man and Rapture Parables, if not already read. The day count is pretty amazing: Fall 2022 to Fall 2022. But again, it can be all wrong.

Totalitarianism

Consider that in light of the Last Shemitah, the possible timing of the COVID19 plandemic can be correlating to the start of this last Sabbatical Cycle. Many who study the End Times are pointing to the possible timing of the 'hope to be soon' Departure being compared to the airline metaphor. And specifically that of the Delta Airline kind. How so? It is getting interesting that for the Fall of 2021, it is the Delta Variant of COVID-19 that is being used to permanently sustain the subsequent Lockdowns, Mask Mandates and Social Distancing indefinitely. This is just as the Rockefeller Lockstep prescribes, Totalitarianism. This is why the Luciferin Elite support and extol the work of the BLM and Antifa. They support China and any form of Communism. Why?

Communism leads to Totalitarianism. It is a perfect mechanism to control the People. As Lenin and Stalin prescribed, Communism uses a true elected Democracy to obtain power. This is done by using the 'Useful Idiots' that vote them in and side with the Socialist Protocols. But once the Communists are in power, they murder the Middle Class, the Intellectuals, the Clergy and Dissidents. And how are the Luciferian Elites to eliminate the Useful Idiots? Through the COVID Injections. Once they are operating the total Beast System grid, the Injected will be dying-off by the millions as they are and have been the other half that have supported and believed their lies.

COVID is the 'New Normal' and their 'Variants' will be permanent. For example, on 'Freedom Day' that was supposed to open-up the UK, Boris Johnson took the opportunity to require the COVID Passport. It is a decision right out of Orwell's book, 1984 where 'Freedom is Slavery, Ignorance is Strength, War is Peace', etc. The 'Extensions' to the Mandates are permanent. Consider that the book was not fiction but the Game Plan. And that it deals with sexuality regulations, reproduction protocols, who can work and where, etc. It is a 'Eugenicist Utopia Bill Gates would be proud of.

And as noted, the excuse this time for the Lockdowns is the Delta Variant. Here is one more example how the Media, in league with Governments are lying to the People. It has been studied that a Variant, at most only has a .03% deviation from the original strain. This means that Variants are not 'more dangerous' than the original. Yet, this is the excuse being used against an unsuspecting and naïve Population. How is the Delta Variant tied to the Last Shemitah? Is it a coincidence that it is converging in terms of its outbreak when the Rapture is to occur perhaps? Consider that the Delta is the 4th Letter in both the Greek and Hebrew languages. In Greek, Delta is used to denote a 'Change'.

Capstones Completed

In Hebrew, the Dalet is used to disclose a 'Door'. The Rapture event is exactly what both signify, a 'Change' and an 'Open Door' and the prophetic 'Door' that is promised for the Great Escape of the Bride of Christ. How so? One is not surprised that the current released 'Variant' is 'Delta'. If one examines the Delta logo of the airline, it is the motif of the Unfinished Pyramid or Capstone of the All Seeing Eye of Lucifer. Such Globalist-owned Corporations hide their logo as their 'Signatures' in plain sight. But so does YHVH in His Word. For example, the book of Revelation was written in Greek and the 4th chapter corresponds to the Dalet which also means the 'Door'. It coincides with the Call to 'come up here' to the Throne of YHVH. It is well understood how John, the Beloved is a 'picture' of the Bride of Christ that is to be called-up from Earth before the Tribulation Period occurs.

One believes She; the Bride of Christ will be a Witness of then 'what is to come' upon the Earth. So, this convergence of the Delta Variant presently occurring could very well mesh with the Rapture event enveloped in the 'Door' and airline metaphor. How so? It is that as the Bride of Christ goes up, their Lucifer God false Messiah comes down to complete their esoteric Great Pyramid Capstone motif. By the end of a year's Summer Harvest, one will know for sure. It would seem to 'fit' and does look promising. In further contemplating the Tu B'Av possible Rapture timing, out of all the types, and pictures out there, one would say that Tu B'Av is very striking. As one knows, the Jews have this custom that they, at least in the past, not sure about now presently but the Jews, in observance would lie in Graves for the night thinking some would die and not 'make it' to enter the Promised Land during the Exodus.

It is not a fully understand custom, so more research has to be done about it. Yet they did not die, as they woke they 'rose' as if from the Dead. And that those 'remained and were alive' also accompanied them after all, together into the Promised Land. And this is exactly the sequence of the Rapture event, which essentially is the 2nd Order of the Resurrections, and those that are 'alive and remain' are the ones going to be 'snatched' away, together with all those that died in Christ. One would say then that if there is any Feast or Prophetic Type of the Rapture event, Tu B'Av would be it. This is of course, still resonating within the Pentecost double count as that mystery of the New Wine Feast could have actually been the Day of Pentecost. So, it would also be a befitting bookend marker of the 'Last Pentecost' to close-out the Church Age of Grace.

Nonetheless, one is 'cautiously optimistic' with each passing year and Feast Day. One thing is for sure and can say with confidence, is that the LORD has been revealing His clues in the Signs above and on Earth below. And regardless if the actual Rapture event is not or will not be as one prognosticated, Jesus' plan and timeline is on time and on track. If anything, such times and Feasts like Tu B'Av helps to encourage the Bride that one day, it will be realized. What is sobering to consider is that since the 1st Pentecost that started the Age of Grace, the Church Age, the Intermission, Christ Jesus made it so easy to be 'Saved'. There is no need to have to 'convert' to be a 'Jew' or keep all facets of the Mosaic Law and of the Prophets. There is no need for a physical Temple to have to make a physical Pilgrimage to Jerusalem.

There is no need for bloody and gory sacrifices of innocent animals. There is no need for physical genetic certified Priestly Class needed that could only serve in the Temple, etc. And to consider that GOD the Holy Spirit came to be 'Sealed' and infused into one's being to never leave nor depart with the indwelling of the Holy Spirit. And that the Indwelling, is just a 'Down Payment' of the Full Measure that is yet to be fully realized. This amazing privilege and disposition Humanity has had since the 1st Pentecost will be set aside during the Tribulation Period. The Holy Spirit will still be working as multitudes will still be coming to Jesus then but it will be localized in comparison as it is now. Presently, the Church Age of Grace is coming to a fast end.

Many that oppose the Gospel Message and Jesus cannot wait to rid the Christians from off the face of the Earth. They will have their wish and desire. But they will wish they would not have done so as they have no idea what they will have lost and not have entered into, free of charge. And this is not one being 'Self Righteous' as many have and do accuse those that are secure in the Salvation given by Jesus. Not so start a Faith vs. Works debate or one of Rewards but one thinks that all would agree that no one is worthy of what one has been given and has in Jesus.

All are Sinners but one is specifically referring to those that are genially 'Saved' and seek to Follow Jesus. Such can just boast in Jesus, and that is fine. Followers of Jesus do need to boast in the Righteousness of Jesus. Why? Because it has been bestowed on unworthy ones, that is something to boast about. So, with the Delta Variant now unleashed and its prophetic connotation to the Dalet and Door motif, if any time to have the Bride of Christ walk through that 'Philadelphian Door', that would be great time!

So, to reiterated about, 'when is the Last Shemitah' or how does one countdown it from either, 1948 or 1949, one was reminded of how in a reply to questions about the timing of the Rapture, as one sees it, the count is based on when Israel entered the Promised Land. And it made one be reminded of a very insightful video of a Dream(s), actually 3 that Danielle had. She is a Sister in Christ that connected the dots to the possible scenario of the Rapture's timing based on her Dreams.

She made a video and shared her Dreams publicly in 2020 around the same time of Tu B'Av. It is about how she stated that the crossing over into the Promised Land is tied to the number 11 and for the Body of Christ, it will be at the time of the Rapture, etc. Her Dreams and/or Visions were about the Rapture, Riots, a Dividing occurring in not only the USA, the World but the Church. It seems to ring more true now.

Her Dreams are very sobering but at the same time very encouraging as the Body of Christ needs that now more so as the Orwellian New COVID World Order is being constructed, 1 injection at a time. With Macron requiring the COVID Passport and now Johnson mimicking the same and saying Negative COVID Tests are now not enough, one can see it is not about COVID. It is about the gradual implementation of Totalitarianism. And these countries are just the Beta Tests of what will rapidly be required of all Peoples all over the Planet. And the Fall 2021 timeframe with the Delta and airline motif is a good time to take flight.
