CHAPTER

WORCHESTER COUNTY CHAPTER 1917

Remembering
Fifteen years this very
month
our Chapter came to be,
and many helpful hands and
hearts
served this community.
We'd be remiss not to re-
call
those who have passed
away
for they are here in spirit
as we celebrate today.
We thank them for their
efforts,
for their deeds, both large
and small,
for without them Chapter
1917
would not have grown at
all.

WORCESTER COUNTY CHAPTER #1917

November 7, 1989

As President of Chapter #1917, Worcester County, I would like to take this opportunity to thank all those members who have worked so hard to put this 15th Anniversary Celebration together. I also want to thank the patrons and boosters and particularly the businesses who have advertised in our book. We appreciate your interest and assistance. You can be sure our Members will remember your participation in our Anniversary.

Once again, thank you for being part of our 15th Anniversary.

Yours truly,

John W. Rodgers

COMMITTEE

Worcester County Chapter #1917 of the American Association of Retired Persons

The History

November is the month in which we celebrate the founding of our chapter. Actually, it was in the early months of 1974 that the idea was first proposed. At a meeting of Senior Citizens in Berlin, Maryland a number of people spoke of the need for a local chapter of the American Association of Retired Persons. After much discussion a committee of eight was formed and they contacted the state and national officials of AARP. This committee became our Founding Members and their names are listed elsewhere in this Ad Book.

The committee began to recruit others to become members. A minimum of 40 people over 55 years of age was required to qualify for a charter. After many months, and much correspondence and personal meetings with officials, all the requirements were met. Officers and a Board of Directors were elected and in November of 1974 a charter was granted. Worcester County Chapter #1917 of AARP was on its way.

It took a lot of dedicated people to carry the young chapter through 15 years of growth. It is not possible to list the names of all the officers, committee members and others who gave their time and efforts to the success of our chapter. We have accomplished much and we take pride in our achievements.

Because we are a community service organization we began by involving ourselves with the community. Many of our members are actively involved in volunteer work, and they have received recognition from National AARP.

Almost our first project was to make a contribution to the Worcester County Developmental Center, and we have continued this as an ongoing commitment.

We sponsored the Vial of Life Program and distributed hundreds of Vials not only to Ocean City but to all Worcester County Centers.

We contribute to fund raising drives of Cancer Research, March of Dimes, Cerebral Palsy, Heart Fund and others.

We have given donations to the Ocean City Paramedics, to the M.A.C. Centers of Ocean City and Berlin, to the Ocean City Library for large print books.

We have given a contribution to the Seeing Eye Dog Organization.

We give an annual contribution of food and money to the Emergency Coordinating Committee, and to Holy Savior Church for their kindness in letting us use their facilities over the years.

A substantial contribution has earned us the title as one of The Keepers of Ocean City Museum.

We give free tax aid to the elderly in the community.

Throughout the years we have made contributions ranging from \$25.00 to \$500.00 to various worthy causes.

We have made lap robes for patients of Berlin Nursing Home and have donated \$300.00 toward the purchase of two wheel chairs.

We have given \$500.00 to the Peninsula General Hospital for their Radiation Therapy Center for cancer treatment.

We have made a \$300.00 contribution to Johns Hopkins Hospital Geriatric Library in Baltimore, Maryland.

We have donated \$350.00 to the Northside Recreation Center for a bench and the planting of trees in memory of our deceased members.

We give an annual award of a minimum of \$100.00 each to two deserving graduating students of Stephen Decatur High School.

Our most ambitious and successful undertaking is our annual free Community Wide Health Fair. We obtain the services of professional people to test eyesight, blood pressure, blood studies, tests of diabetes, cancer and other diseases.

Our Program Committee has interesting and informative programs at the monthly meetings. We also have an Entertainment Program Committee who put on various skits and lively entertainment at special times throughout the year. On various occasions these programs have been put on for the residents of The Berlin Nursing Home and at the M.A.C. Center and the Senior Citizen's Center.

But we do not neglect our own members in social needs. Our meetings are interesting, active and well attended. Our committee reports at each meeting inform our members of our progress and involvement in all phases of living. Our two most active committees are the Legislative and Tour Committees.

Our Legislative Committee informs us of prospective legislature which will affect the lives of senior and retired people. We are in touch with our representatives in state and national capitals and keep them informed of our opinions on upcoming legislature. Our letter writing is most effective in achieving the desired results.

The Tour Committee is active all year round. Many chapter members would not have the pleasure of travelling if we did not have our Tour Committee. We have gone north, south, east and west. We have been to Maine, Florida, Louisiana, Nevada and all points in between. We have been to Canada, Nova Scotia, England, Ireland and Scotland. We have had a Caribbean Cruise, an Hawaiian Cruise and are now planning a trip to Alaska. Our one day trips, long trips, and dinner theatres are booked solid. Our Tour Committee truly adds to the enjoyment of life.

We feel that we have come a long way in 15 years. From a charter group of 40 in 1974 to over 600 in 1989. Our membership is not closed. We hope to continue to grow so that we may live up to our motto "TO SERVE, NOT TO BE SERVED."

Purpose of The Marlin Club

To promote and create interest in sportfishing and to utilize all legitimate means to further and improve it; to engage in sound conservation practices to the end that the waters and marine and wildlife which they support may become more productive and abundant; to cooperate with any persons or organizations engaged in similar activities; to provide for the mutual protection of interests of sportsmen and fishing guides by encouraging fair and just dealings and practices between them; to create and instill in others that love of the Sea and Her creatures known only by those who sail upon Her.

To maintain and operate a sportfishing club for the benefit, enjoyment and general welfare of members, their families and guests and for the good of the community and country.

Members of our club enjoy the friendly association of fellow anglers from all over the world.

The clubhouse is open all year, but admission can be gained only by the member's key.

Many social events are held in the club during the winter season. During the regular sportfishing season very special social activities are held. These events are open only to members and their guests.

The club sponsors fishing tournaments and awards beautiful trophies each year. We participate in local, state, federal and privately endowed conservation efforts. New members must be sponsored by a member in good standing and approved by the Board of Directors.

RESTAURANT & NIGHT CLUB

Ocean Club, 49th and Ocean, Ocean City. Lunching at the beach is usually not a classy affair—except at the palmy Ocean Club, where the clientele looks as if they should be wearing Raj dress whites instead of bathing suits and shorts. Even sandwiches and salads have a touch of elegance; the standouts at lunch include fried shark and a totally self-indulgent lobster and avocado salad.

This Symbol
Of Strength
And Service.**

The keystone symbol above our name identifies us as the only local member of Mercantile Bankshares Corporation, one of the strongest financial organizations in the nation. With our 16 offices in Worcester, Wicomico and Somerset Counties, Peninsula Bank is one of 17 member banks serving Maryland and Virginia.

On the lower Eastern Shore, only one bank combines the spirit of community service, the major banking resources of Mercantile Bankshares Corporation, plus FDIC insured safety. Only Peninsula Bank.

PHILLIPS SEAFOOD RESTAURANTS

The Ocean City Tradition

"The Original" Phillips Crab House is open for the season...serving you with its usual tradition of friendly hospitality, featuring daily selections on our menu and a young matey's menu for the kids! Enjoy your favorite beer, a glass of wine or a frozen cocktail in a souvenir glass. It's always a feast at Phillips Crab House! 21st Street and Philadelphia Avenue, Ocean City, Md./289-6821/Carry Out Available/289-7747.

At Phillips Seafood House, everything is served in an atmosphere of Phillips friendly fun and excitement from your favorite meal right down to our lively piano bar! Enjoy a bounty of fresh seafood and beef entrées, a tall frozen drink in a souvenir glass, an array of daily featured selections and a young matey's menu especially for the children. 141st Street & Coastal Highway, Ocean City, Md. 250-1200/Carry Out Available/250-1689

We make your day in many ways at Phillips by the Sea. Start your day right with breakfast overlooking the ocean and boardwalk. In the evening, dine on fresh seafood and superb beef entrées...then top off dinner with a visit to our piano bar or just relax in the intimate Parlor Lounge. As an extra treat, browse through the many shops located downstairs. Located in Phillips Beach Plaza Hotel/Oceanfront at 13th Street and the Boardwalk 289-9121/Breakfast and Dinner daily.
