In the evening of June 2, 2017, under the auspices of American Legion Post 543, the Military Appreciation Day Committee held its annual Patriotic Concert at Woodlands Park in St. James.

There were approximately 500 people who attended the concert.

The music was supplied by the very popular “Mikes Garage Band.”

On July 8, 2017, the St. James, Military Appreciation Day Committee will hold its annual golf tournament. All are invited to join in. Sign-in sheets may be picked up at any of the St. James Golf Clubhouses.

These two annual fundraising events make possible all the charitable work the American Legion does to help veterans, families, and children in our communities.
