Departure Time: Full day camp ends each day at 5:30pm. Please be respectful of this and pick campers up on time. Morning Drop off: A Sprouts representative will be outside from 7:30-9:00am to greet each camper, assist them out of their car and escort them inside.

Field Trips & Special Guests: Each week we will take the children on a field trip, have a special guest presenter visit or have an exciting event scheduled at Sprouts. Filling out our registration form will give consent for your child to take part in and/or be transported by Sprouts to and from the field trip locations. Field trips and guests are subject to change and may be cancelled completely without prior notice. There is no additional cost for these awesome enrichment activities. Due to social distancing restrictions, we may not go on any field trips this summer. We will however have special visitors and events to make up for that.

Quiet Time: Each afternoon there will be a quiet, rest time for campers to prepare for the remainder of the day. Campers will be able to choose from hundreds of books (or bring their own) to read and relax.

Sunscreen: Please put sunscreen on your child each morning. We will be outside at least 1-2 hours each day (weather permitting). Sprouts is not responsible for applying sunscreen to your child.

Personal Belongings: Please label all of your child's belongings. Each Friday we will have a Lost and Found Box on display for parents to collect any missing items. Items that are not collected will be donated at the end of the summer.

****Please limit items that are brought to Sprouts each day, we do not have a lot of storage space. Back packs, toys, water bottles, etc. are not necessary.****

Water Bottles: Water bottles will be provided by Sprouts for each camper and labeled with the camper's name. Water bottles will remain at Sprouts to be filled and ready for each day.

Electronics and Toys: Please keep all toys and electronics (video games, tablets, cell phones) at home, unless otherwise notified.

Attire: Be sure to dress comfortably to have a blast all day! Sneakers and loose, cool clothes seem to work best.
