**President's Letter**

**Presidents Letter January 2026**

WOW! Another year has passed. My first year as president went fast...too fast. "The older I get, the faster the years go by" is becoming more truth than fiction. I remember being a bit apprehensive 12 months ago; wondering if I was ready to take on the responsibilities of the position. Thanks to our past president and a very capable board, it has been a truly wonderful experience.

A heartfelt THANKS to all our members for your support and guidance.

Speaking of the years going by, did Henry Ford anticipate that in a few short years we will be celebrating the 100<sup>th</sup> anniversary of the introduction of the Model A Ford? The Model A Ford Foundation, Inc. is planning a big celebration during "Model A Days" at the Gilmore in September of 2028.

We missed having a 60<sup>th</sup> anniversary event because of Covid. Nothing much materialized for a 65<sup>th</sup> event. It's time to start thinking about a special bash to celebrate the 100<sup>th</sup> anniversary of the Model A Ford and the 68<sup>th</sup> year of our Clubs founding.

Thanks again for your support and Happy New Year,

Tom

## Twin Cities Model A Ford Club Meeting Minutes for December 9th, 2025

Meeting called to order at 7:02 P. M.

**Attendance:** Board Members present: President - Tom Owens, Secretary - Mark Leder – Vice President Marc Rude Treasurer - Doug Portlance, Senior board - Blaine Maus , -past president Jerome Bokelmann, also present membership director Roberta Butek, Dale Pomerleau, Steve Barancl, Jerry Schilling, Wynn Lidell, Greg Hillenbrand and Rob Gusaas. Our President, Tom Owens called the meeting to order and conducted the board meeting in accordance with his duties to meet with the board in the monthly scheduled meeting

**Secretary's report:** Our President asked if there were any corrections or additions to the report for the November printed copy of the minutes. There were no corrections or additions voiced. A motion was made by Doug Portlance to accept the November minutes as printed in the Aogah Newsletter in December; the motion was then seconded by Jerome Bokelmann. A vote was taken, and it passed unanimously.

**Treasures report:**

Doug Portlance, our treasurer ran thru the November business report well as those activities to date with a spreadsheet provided for those present for this month's bank and expense activity. Doug went over the expenses for the Annual banquet, and we stayed within the budget and made some money due to silent auction items. Membership renewals are coming in and income is shown for that category. Our president asked for a motion to be made to accept the report, Blaine Maus made a motion to accept the report A second for the motion was made by Mark Leder, there were no further questions, and the vote was unanimous and passed.

**Membership report:** Roberta Butek, our membership director was present and told us that there were no new member applications to consider this month.

**Restoration Clinics:** Dale Pomerleau has content set up for the December meeting. Steve Barnacle will have a couple of segments one of which will be on the internal parts of the distributor, points parts now in reproduction have some problems to be aware of. He will also do a segment on tire and tube problems. Dale is also looking for a person to assist with the clinics as a coordinator. Should someone be interested please contact Dale or a Board member.

**Membership Greeter:** Jim Lake was not present. He made contact with the last months new member

**Fashion Clinic:** There is an open position that we would like someone to fill and coordinate activities. If interested contact any board member.

**Tools:** Our coordinator was present. Steve Barnacle said a number of tools are now in use.

**Sunshine:** No cards were sent this month. We were alerted that Joan Frisk unfortunately broke her leg.

**Newsletter:** Reported that all is good from editor. Photo contest ended, winners were on display at the Annual Banquet and they will be published in the January newsletter

**Website/Facebook:** Member Greg Hillenbrand has been involved in learning this new position. Greg has been advised of certain updates to add to our pages; he has been validating service providers to see if they are still in business for those we have listed on the website

**Service Advisor:** Not present but as always, he would like members to collect business cards for any service or shop you can recommend and forward to him. Our collection of service people and vendors is now up on our website.

**Calendar of events:** Marc Rude was present and has no events on to list

**Fundraising:** We are not yet ready to work on a new fundraiser, and suggestions and or help is appreciated.

**Unfinished Business:** None

**New Business:** Our President welcomed Wynn Lidell to the meeting and although his term has not officially started, we spoke in general about one of his duties, especially the need to quickly investigate and secure venues for the Nomination and Annual banquets as that time of year the venues are heavily booked. Suggestions centered on it would be nice to have two different places for the banquets and that we all know prices have risen and it's a new cost structure for meals and banquets that we need to get used to.

**Announcements:** Clinics are back on the regular 3<sup>rd</sup>. Thursday of the month schedule and business meetings are the 2<sup>nd</sup>. Tuesday of the month and any member is welcome to join the zoom meetings. Simply ask Tom Owens for the zoom meeting log in information. Next business meeting via zoom is January 13<sup>th</sup> at 7:00 P.M.

*continued next page*

**Motion to adjourn:** Doug Portlance made a motion to adjourn, Blaine Maus seconded the motion, a vote was called, and it was unanimous. The meeting ended at 7:55. P.M.

Minutes respectfully submitted by Mark Leder, Secretary

### **Opening for TCMAFC Restoration Clinic Co-ordinator**

**Looking for help in putting together our restoration clinics or replacing the current one. This can be an individual, a team, or multiple teams. For more information contact Dale Pomerleau or any board member with suggestions.**

### **Third Thursday of the Month Clinics**

**For those joining our next clinic via the internet on 01/15/26 - The NEW CODE which will be used for all the clinics is as follows:**

**Swillco is a Shop that specializes in show car work. Scott Williams is the owner and has been in the car industry for 37 years. While Swillco has done many car fabrications, they have also done restoration work on many Ford Model A's. Years ago, Jerome Bokelmann held several annual TCMAFC Coffee Socials at this same location when it was called Sideline Garage. So several of you would be familiar to this East Bethel location. It's a time for us to get together and socialize as a group and check out the many projects that the Swillco shop has underway.**

**Any questions, Just reach out to Jerome Bokelmann of TCMAFC or contact Scott Williams at the phone or email listed above.  
See you There!!!**

**Sincerely,  
Jerome Bokelmann**

**TCMAFC would like to inform our members of the passing of LaVerna Leipold and offer our condolences to her husband Darel and their families.**

## The Annual Banquet

Our year ends and as tradition has it we have for a social gathering , we have a few awards and an informal recap of the years events. Our President Tom Owens offered his and those of the members thanks for the volunteers of the club, the board members and the generosity for the services and places that we were able to hold events at this past year.

Of course there is a lot of visiting as we get together and talk about the past year and looking forward to events, there is a very large silent auction taking place. All the objects were donated by members and all proceeds go to the treasury of the club. All the photo contest entries were displayed and the winners and honorable mentions were placed on a special table. We had our meal of turkey and meatloaf, along with some side items and cake for dessert.

After our meal, Our President address our group and first called up Blaine Maus. Blaine was chosen to receive the Spark Plug award this year. The award is in recognition for his willingness to go above and beyond for service and extraordinary involvement in club events and business. Blaine took on the role this year of the technical audio visual person at our clinics providing the sights and sound for those present as well as our live zoom feed of the clinics, he researched and purchased a lot of new equipment to enhance the experience. Blaine also joined the Great Northern Tour planning group and is senior board member of TCMAFC and will be Vice President next year. He also took a solo tour to the West coast this year in his sedan and created a blog to share with the members. Many accomplishments and he is always willing to help on anything. This award is voted on by the board when an individual is recommended for it. Any member may submit in writing to the board someone they feel should be honored with this.

**Tom Owens presents the Spark Plug award to Blaine Maus**

Our next award is for the Life membership, there are requirements that need to be fulfilled in order to be considered for this award. The member must have at least ten years of membership, along with diligent participation in club events, clinics, tours, social events.

Mr. James Lake was this years

recipient, Jimmy has been our "Official Greeter" he reaches out to our new members which is extremely important and introduces himself and explains just what the club can offer, or what can he do to help a member learn or know in order to fix their car . He also makes it a point to introduce and make a new member feel welcome at our events. He has participated in the White Water tours, the Great Northern tour and had secured a club visit for one of the days of the tour. During covid when no one saw each other he got us together for a social distance lunch in an outdoor setting. He has presented at our clinics and has an interest in AA trucks and has visited members no longer able to participate in activities or are in care facilities.

To be considered for this award any member may submit in writing to president of the club or a past president of the club the reasons why they should consider that person .

*continued next page*

The presidents convene a meeting and discuss the applicant and have a secret vote as to awarding the Life membership. The final vote taken has to have two-thirds of the votes to establish that membership.

**Tom Owens presents the Lifetime award to James Lake**

Do you have a project similar to this that you are working on? How about taking some photos and bringing it to a clinic? Make a small presentation that we can share with the group. Want to make it into a powerpoint? don't know how?, no problem we can find someone to help put it together. Do you need help on finishing the project? We can make a teaching moment out of this with your cooperation. Reach out to the Clinic Coordinator for putting something together

## Winners for the "Animals class"

**Ross Johnson**

**Lynne Groven**

**Jerry Schilling**

Thanks to everyone for your submissions, it makes your Editor happy and gives us some interesting things to publish in the newsletter. Each of winners will receive a "reward" . I hope to have more participants next year for our contest and we will have the general category and the scavenger hunt category. Details for the next contest to come soon. Our judges this year were my neighbors, a husband wife along with their thirteen year old son. They enjoyed the opportunity to be a part of the contest and carefully reviewed the submissions.

## Thursday Clinic

This December clinic is usually a boisterous and fun gathering just before the holiday celebrations begin. Our Minnesota weather decided to act up with gusty winds, rain changing to blowing snow. We had a smaller turnout and I could not blame anyone for not wanting to challenge the traffic and roads leading to the clinic. Regardless, we pushed forward and had a very nice evening. With the fewer people the expensive seats up front were more obtainable and the cookies and coffee were there for second and thirds.

The content was great, who knew what talent is hidden within this club.? Tom Owens, Jerome Bokelmann and Miles Lindberg stepped up front and sang us a holiday song that incorporated the Model A with a holiday tune. These guys really had very pleasant and pleasing voices, I'm sorry more members were not present, these guys have talent. Steve Barnacle got a lot of attention this night, he was the recipient of an award that I believe is new to the hobby, it is called the "Grease Monkey" this seems to have started on the west coast with Mr John Frazee who is concerned that we need to have a base of enthusiasts that can fix a Model A and also share that skill with those that are unable to fix their cars due to age or inability. Its a recognition of someone willing to help, teach and has the skills, tools and spare parts to do so.

Steve Barnacle presented on ignition points misalignment, what to look for to have a reliable distributor and followed up with his experience with numerous flat tires due to inner tube issues. He pointed out what to look for and a few suggestions to keep the tubes in a healthy state.

Member Michael Koda brought some automotive test and service tools from his collection for the group. Some of the items are built to last unlike alot of the automotive stuff we see today. Some were not recognizable when we contrast today how we create testing tools and use them. This was a very interesting addition to the nights gathering.

## Congratulations Leah

We have a lot of talent and thankfully members willing to share the Model A experience. Our own Leah Barnacle created an article for submission to the Model A Ford Club of America's magazine The Restorer. This article described her trip with her husband Steve in their quest to drive the Lincoln Highway which crosses our great country. They completed the Western half of the journey and the article after being published in the March /April 2025 issue, the Board of Directors selected Leah to be awarded the Literary Award for her effort. This award was singled out from all the articles submitted during the year beginning with the November/December 2024 issue.

Leah and Steve then attended the National Awards Banquet in December in Mobile Alabama. They participated in this end of the year banquet and met the board members of MAFCA , members of the club from many states and participated in the events and tours of this four day event.

**Steve and Leah have made many friends on their long journeys. That Model A guy - Paul Shinn and his wife Tina have become good friends and Paul likes to participate in our Zoom clinics when he has the opportunity**

## The Model A Restorers Club, Inc.

**THE *running* BOARD REPORT**

From Tom Hovetter, President and Jim Zimmer, Director of Regions

December 2025

**M**embership in MARC has increased this year over last year. This after declining for many years. This is Very Encouraging for our hobby! Many thanks to Regions who have encouraged their new and existing members to either take advantage of our free 12 month membership (non MARC members, digital magazine) or take our regular membership and receive the award winning *Model A News* magazine. Please continue to invite your members and anyone interested in our hobby to join.

**A**s you may know, we are updating the *Driver Class Judging Standards*. For example, some of these changes include the acceptance of fiberglass fenders, later Ford front and rear axles and leather or vinyl upholstery material for all years/models. The updated standards will be published soon. Make plans now to enter your Model A in Driver Class judging at French Lick in July!

**R**ecently we asked Region Presidents/Directors to email your Region's logo, in an image, PDF or similar format, for inclusion in our updated website. We have received many, but are missing many more. You will want your logo to be proudly displayed! If you haven't already, please email a copy of your logo to the MARC office at [modelarestorersclub@gmail.com](mailto:modelarestorersclub@gmail.com) or to Jim Zimmer at [jwzimmer9119@gmail.com](mailto:jwzimmer9119@gmail.com). Additionally, Larry Shepard is looking to compile a list of Model A Mechanics to use as a resource to help fellow Model A owners with mechanical questions. Please volunteer by emailing Larry at [marctech@modelarestorers.org](mailto:marctech@modelarestorers.org).

**C**ertainly we are all looking forward to the upcoming MARC Finger Lakes Tour next May. Online registration forms will be available on December 1st and hotel reservations will open on December 10th. Plan now to attend another great MARC event in a beautiful part of our country!

**A brand new website has been created for the Model A Ford Restorers Club**

### Back Page Ramblings From Your Editor:

Last page of the last newsletter of 2025, I had a good year covering the events, going to clinics, pancake breakfast, coffee socials, banquets, touring and just hanging out with our Model A people. I look forward to see what events and news item will come up in 2026. So let's make this an eventful year. New ideas and people to step forward and plan and participate in events are what we need so things don't get stale. Look back at this year and think about the efforts that the board members, editor, event coordinator, membership director and various volunteers and event hosts have worked hard on to give you fun things to participate in . Please become more active and share your efforts. We have a core group of individuals who work very hard and donate a lot of time to this club. Their efforts are greatly appreciated, so please join the fun and give your time and creative ideas to the club by sharing the workload.

Look forward to seeing you in 2026 at events and sharing the news with you.
