

RE-ENROLLMENT FOR 2024-2025

Starting February 1, 2024, the Christian Academy of Carrollton will begin re-enrollment for the 2024-2025 school year. **Preference is given to returning students until February 29, 2024.** Starting March 1, open enrollment will begin, and new student registrations will be given equal consideration. After February 29, 2024, if a class is full, returning students who are not re-enrolled will have to be placed on a waiting list.

How to re-enroll:

- Pay the early registration fee** (\$200 per student, not to exceed \$450 as a family)
- Complete the online application** (a link will be sent to current families on February 1)

Please note that BOTH of the above items must be completed for your student to be enrolled.

The early registration fee is **\$200.00 per student, not to exceed \$450.00 as a family, and will be in effect until April 12, 2024.** After this date, registration will be \$250.00 per student, not to exceed \$600.00 as a family. *This fee is non-refundable unless CAC is unable to accept your student.*

CAC values smaller class sizes for more individualized learning; therefore, enrollment capacity will be limited in each grade. It is imperative that the current CAC students enroll as soon as possible.

God has entrusted the education of children to parents. CAC believes a Christian education is a mandate for the Christian family. Therefore, the fees are purposely set far below the actual cost of educating children because we want to keep Christian education within the reach of all parents.

Parents may choose to pay the yearly tuition in whole by August 1, 2024 (3% discount) or they may pay monthly for 10 months. Tuition is a yearly fee which may be broken into ten (10) equal installments to assist parents with a more manageable payment plan. These installments are **due on the first day of each month August 1, 2024 through May 1, 2025.**

There is a grace period until the 10th of each month. Payments received on or after the 11th of the month will be charged a 10% late fee.

NEW FOR 2024-2025

If you are interested in signing up for **online billing for monthly tuition** without a fee for the 2024-2025 school year, please let the school office know. We would like to implement this new feature if there are enough interested families. Please note that this would entail receiving a monthly bill sent to your email from Square and paying with your **bank account information** (NOT credit/debit card information) through **Square**. Card payments can be made at the CAC office, but there is a 3% + \$0.10 processing fee collected by Square for card payments.
