

Spring Cleaning with Feng Shui

“Put new vitality and creativity into your life and your home.”

Practical Feng Shui

“Enhancing Your Life”

with Betty Lue Lieber, Ph.D.

**“Enjoy learning, creating, affirming and reminding yourself
of the lifestyle and environment you prefer!”**

Create your life anew.

Using Eastern principles of this ancient art and science of placement and design to enhance your energy plus the Western practicality of simplicity, economy and ease, participants will gain personal insights and specific application to improve your home and your attitude. The benefits often apply directly to health, relationships, finances, creativity, purpose, family, travel and friendships.
