

Fox Valley Health Professionals
625 Congress St
Neenah, WI 54956

January 17, 2021

Dear FVHP members:

In light of the ongoing COVID-19 pandemic, Fox Valley Health Professionals will soon hold its first virtual CME event. This will be an evening event in the month of March, and we are in discussion with a speaker who has been a member favorite in the past. We are planning for a topic related to women's health. As soon as details are confirmed you will be able to register for the event at foxvalleyhp.org.

As you may recall, all active memberships from the year 2020 have been extended through 2021. This means that you will not be expected to renew your membership this year. We plan for our upcoming virtual event to be low cost as well. We have also lowered the cost for new members this year to \$25, and students can join for \$10 this year. These changes are in recognition of the sacrifices all healthcare workers are making to ensure the continued optimal health of our community. Please go to foxvalleyhp.org to sign up for a 2021 membership if you were not a member in 2020.

We appreciate your continued support, which allows Fox Valley Health Professionals to continue its mission to enhance, promote and support continuing education and networking among advanced practice nurses.

Once we have finalized our virtual CME event, we will update all members via email. You can also monitor our website (foxvalleyhp.org) for this announcement, and this is where you will find registration information.

Sincerely,

Bonnie L. Nickasch, DNP, APNP, FNP-BC

Bonnie Nickasch, President and the FVHPs board (Sarah Bleier, VP; Jacki Karlin, Secretary; Jake Kendall, Treasurer; Lori King, Lori Poss, Nicole Sixel & Marcia Smith, Nurse Planners)
