“JESUS IN YOU, IS THE LIGHT OF THE WORLD”

‘See and Shine Jesus Christ’

John 1:1-5 Jesus, the Light of the world.

“We do not see things as they are, we see things as we are.” Unk.

Darkness is one of the things most people fear.

We need to be pro-active instead of re-active.

The proper definition of any problem is the biggest single step toward its solution.

The appearance of things changes according to our emotions and our beliefs.

“Character cannot be developed in ease and quiet. Only through experience of trial and suffering can the soul be strengthened, *vision cleared, ambitions inspired, and success achieved.*” Helen Keller.

John 12: 35-36 Walk in the Light.

John 12:44-46 Jesus is the Light to lead you..., day to day.

God has given us a *divine nature of our soul* through Jesus Christ.

God’s divine light in us is creative: it is positive, and it shows you certain kinds of knowledge and wisdom and power and inspiration.

Confess the Light in you, instead of cursing the darkness.

The Word of God is your Spotlight:

1. Choose to be part of the solution rather than part of the problem.
2. Begin to establish yourself in greater expressions of living by
seeing yourself in a new light.
3. See yourself in the Light of being prosperous or productive in *every* area of your life:
mentally, emotionally, physically, and spiritually.
4. No one can create anger or stress within you, only you can do that by virtue of how
you process your world. “See and Shine Jesus Christ.”
