INTRODUCING THE UNIVERSITY

Bethel Christian University recognizes the complexity and sophistication of contemporary society, the extremes in ministries of the day, as well as widespread spiritual apathy. The primary purpose of Bethel Christian University is to equip men and women for dynamic leadership in local churches and related “field ministries”.

The university is open to all Christians, Apostles, Prophets, Evangelists, Pastors, Teachers, Christian Counselors, Christian Sunday School workers of any denomination etc.

It is not just an addition to the numerous theological universities, but rather an accomplishment of a bold, meticulous and dedicated planning for specialist ministerial/theological training in various ministries.

The university is set out to train would-be ministers. Those that are already in the ministry, but have no formal ministerial training are also welcome.

The growth of ministries in the world is hampered due to lack of trained ministers. These grossly inadequately trained ministers are responsible for the hap-hazard running of most of our churches.

The university maintains that these factors create an imperative to prepare leaders who possess academic excellence beyond the University and Bible college levels, and ministerial balance between the intellectual, practical, and spiritual commitment to Christ, his word, and his service. Bethel Christian University, therefore maintains a curriculum plans, a standard of character, and a ministry model that unite to accomplish the university’s purpose.

As a theological training center, the qualities necessary for church leadership outlined in 1st Timothy 3 and Titus 1, set the standard of Bethel Christian University’s faculty to communicate through example and precept. In addition to these biblical qualities, Bethel Christian University, seeks to develop men and women to be independent learners who read and think. Bethel Christian University’s graduates should be disciplined in their personal lives and self-motivated. The university strives to produce men and women who are both practical and flexible, with the ability to transform classroom and independent study knowledge into people related ministries.

Finally, it is these ills that the university is out to combat by a way of highly manpower theological training and for those who cannot leave their jobs to a full-time Bible college.

HISTORY

The founding of the University marked the beginning of a call with an opportunity. The call was for a center where Theological and Ministerial courses could be studied as profoundly as they were being studied in other Theological Seminaries and Universities across the world.

The response to this call has been born and nurtured by prayers by our beloved brother Prof. Wilson Adoh who founded the University. The University was incorporated in the State of Kansas as a Religious University. It is Religious Educational Institution of Higher learning. The University is governed by a Board of Directors, Trustees, and Board of Regents and Education.

Bethel Christian University is incorporated as a graduate institution and is authorized to grant graduate degree in Theological and Christian Educational courses as the Board of Directors determine. Professor Wilson Adoh was the Founder/President of Christian Faith Theological Seminary Inc. in Lagos Nigeria, which he managed for over twenty-seven years.

OUR LEGITIMATE STANDING

Bethel Christian University is formally organized with a Board of Directors and Articles of Organization, Constitution and By-Laws. We are affiliated with the Kingsway Ministries Inc. a/k/a Kingsway Fellowship International for Tax-Exempt purposes and thus recognized by the I.R.S. as a non-profit 501(c) 3 organizations. Our Group Exemption Number (G.E.N.) is 3087 and our Employers Identification Number (E.I.N.) is 61-1774128.

Incorporated in the State of Kansas, as a Non-Profit 501 (c) (3) Under the Covering of KINGSWAY MINISTRIES, INC. Des Moines, Iowa. Bethel Christian University has been properly registered with the Kansas State Government, who because our programs are entirely religious, has granted us an excluded status to carry on our activities of granting religious degrees.

ACCREDITATION

Bethel Christian University is fully accredited by WORLD WIDE ACCREDITATION COMMISSION OF CHRISTIAN EDUCATIONAL INSTITUTIONS (WWAC) anyone wishing to contact them for verification may write to: The WWAC, Dr. Paul Richardson Executive President, 2800 Blendwell Rd. Richmond, VA. 23224.

We wish to make it perfectly clear that due to the principle of separation of Church and State Mark. 12:17; James 4:4; 2 Corinthians. 6:14, the WWAC has chosen not to seek endorsement by either EAES or COPA, but is a rapidly growing and respected network of over 200 schools on the cutting edge of the cause of Christ. . We wish to make it perfectly clear that our Accrediting Commission, (WWAC) is in no way connected with either EAES or COPA – President of WWAC.

EXPLANATION ABOUT ACCREDITATION

Over the years, the word “accreditation” as used by those involved in higher education has acquired various interpretations, but essentially it indicates that some outside responsible body of educators have examined a school and found it to be doctrinally, academically, and financially reliable, and has certified that it meets their ethical standards. The purpose is to simply assure the public that the school is a reputable establishment.

What ordination is to a minister, accreditation is to a school. Therefore, most faculty and degree students feel that accreditation is very important, although it is not legally required. It's a voluntary process. For instance, some schools are not accredited and offer academic degrees. They are good schools.

On the other hand, there are some who discount a Christian school and reject their Accrediting Association too, unless it is linked up with the U.S.A. Department of Health, Education, and Welfare, launching a campaign to impose their opinion upon the rest of the academic world. But, common understanding and every day usage determine the definition of any word. So to be accredited still means that an impartial group of professional scholars has investigated an institution and has approved of its standards of operation.

There is no such thing as Federal or State accreditation of a Bible school, for civil government has no authority to regulate religious training or what certificates we issue for it. This is an issue of separation of church and state, as Jesus said, “Render to Caesar the things that are Caesar’s, and to God the things that are God’s”. Mark 12:17.

Civil authorities must never officially endorse or disapprove directly or indirectly the beliefs and practices of churches or their Bible Schools. A casual survey of Church history shows that such linkage with Caesar eventually leads to infringement upon conscience, bondage, and corruption. Therefore, to be accredited by any agency, which in turn is supervised by the U.S.A. Department of H.E.W., would to some degree be a compromise of the separation principle and constitute "friendship with the world" condemned as "adultery" by James 4:4.

In a Spiritual sense, the highest accreditation any school could have would be the blessings of Divine Providence. Our best accreditation is the successful lives and ministries of our satisfied students.

CHARTER AND AFFILIATIONS

Bethel Christian University is chartered by Kingsway Fellowship International, Des Moines, Iowa, USA.

Presently, BCU is networking with Kingsway Fellowship International, Harvestime International Network and Nations University.

LAY WORKERS AND EXPERIENCED MINISTERS

Bethel Christian University is deeply committed to providing both quality Bible college programs for lay Christian workers, and Seminary training for experienced ministers.

Our early courses (Certificate and Diploma in Christian Ministry) are for Christians who wish to learn how to integrate Biblical principles into their daily lives, homes, and businesses. Those who want to be a better witness for the Lord, and to effectively participate in their local Church, community, and country. In a sense, every Christian is a minister, in that we are all to serve one another for the Lord's sake; and in a way, a preacher is just an over-grown Christian.

Our latter courses (Undergraduate and Graduate – Associate, Bachelor, Masters, and Doctorate Degrees) are for ministerial students, who already have a basic working knowledge of the Bible, but seek to develop more proficient ministerial skills.

FUNCTION AND PROCESS OF EDUCATION

The ability to think is the gift of the Creator, and the desire to know is divinely implanted.

Proverbs 9:10 says, “The fear of the Lord is the beginning of wisdom.” So, a proper recognition and respect for God is the *first* step of education. A wise man can render a reason for all he does, but a fool is smug in his thoughtlessness. A wise man will increase in wisdom, but a fool is closed-minded.

Education is a progression from Knowledge to Understanding to Wisdom, like the process from eating to digestion to physical energy.

Learning is essential for deciding what things are least and most important, and for making intelligent choices in your everyday life. Much of your present lifestyle has been shaped by everything you've learned since birth.

Education is the important act of passing along the accumulated knowledge from preceding generations to the next one, without which we would be plunged back into the fears and superstitions of the dark ages of pre-history. Getting a degree just proves that you did your part in conveying the torch of truth to tomorrow's youth.

Ideas rule the world of men, and new ideas have changed the course of history. Our generation has been dubbed, “The Information Age.” But, today's scientific technology may be outdated tomorrow.

Therefore, the Church must rise to the occasion and meet the demands of a high-tech and rapidly changing society. Bethel Christian University views Christian Education as a necessity and ministerial training as urgency.

The public knows the need for training for their secular occupations, so why should anyone suppose that Evangelists and Pastors need no special training? An untrained person is usually considered an amateur. Ignorance is not stupidity; it's merely a lack of information, so don't let a lack of education hold you back. All other things being equal, a smarter Christian can do better than an ignorant one.

Bethel Christian University holds the old, but ever fresh Holy Bible as the Manufacturer's Hand Book and the Universal Answer Book. The Word of God never changes, but our means of communication does. All Christians need a good solid foundation upon which to build their faith and life:

- Basic Biblical studies are for foundation.
- Systematic Theological studies are for indoctrination.
- Ministerial studies are for practical application.

Taking our courses not only involves the acquisition of Divine data, but the cultivation of mental discipline and promotion of spiritual growth. Our object is to not only spiritually illuminate men and women, but to motivate them in a life of usefulness for the glory of God.

In the Christian, natural and spiritual knowledge is integrated, as they both come from the same Source. The better our understanding, the better we can take advantage of our opportunities in life.

Our training courses will increase your effectiveness in any ministerial project you undertake. Some of our graduates are already teaching classes in local churches, and others go directly into the field of Christian Education. The best teachers teach because they love to teach, and the best students study because they love to learn.

I believe that the spiritual truths we learn on earth will be retained in our Heavenly Life, and will be built upon for eternity. If you have dreams and aspirations, your personal Christian education must not be postponed.

BIBLE COLLEGES AND UNIVERSITIES

A College or University is an educational institution that offers courses of study beyond the high school level. There are over a thousand home study Bible Institutes in the U.S.A. today, and many are just offices that mail out Bible Courses to thousands of students. Sometimes correspondence schools start having local classes or offer them over the internet. We hope in the near future to start online programs to reach out to the unreached peoples group all over the world.

Spiraling costs are a common complaint, as a residential school can cost over \$20,000 per year, which is financially infeasible. When a school gets too expensive, time consuming, and strenuous its enrollment usually begins to shrink.

Like churches there are different kinds of Schools. We acknowledge many good schools around the world, but I don't believe you will ever regret your decision to complete your education with Bethel Christian University.

UNDERGRADUATE AND GRADUATE

Most folks know that "freshman", "sophomore", "Junior", "Senior", and "Graduates" are the ranks of students of higher education. Community colleges offer undergraduate programs that lead to a Diploma, Associate, and Bachelor degree. Universities offer graduate programs that lead to a Master and Doctorial degree.

A university is usually bigger than a college and is often made up of several colleges on a single campus. If a college is not a subdivision of a University, it sometimes grows and become a University, so that today "College" and "University" is used somewhat interexchangeably.

A religious school that offers masters and doctoral degrees is called a Seminary or Christian University. So Seminaries are the Universities of religious education. But, they can also offer undergraduate studies.

Bethel Christian University is both a Bible College (Theological University) or a Seminary offering undergraduate's studies and a Theological University providing graduate programs, so that we can offer degrees on all levels.

CLASSROOM VS. HOME OFFICE

Considerable time can be used up getting to and from a classroom, and more time can be consumed assembling, hearing comments about the weather, non-applying announcements, and other sidelines.

Traditional theological education can tend to isolate students in a cloistered environment that detaches them from involvement in vital Gospel work among sinners. Thus, graduates become groomed as “keepers of the aquarium”, rather than “fishers of men”.

Would you rather repose in an artificial cubicle a few years and get a traditional degree, or pursue a relevant active ministry, and get a non-traditional degree from Bethel Christian University at the same time for about ten percent of the cost

Learning is no longer limited to the old fashioned four walls, because God has raised up a number of worthy educational resources such as Bethel Christian University. You can receive a legitimate degree without stepping foot on a college campus or into a university classroom. It's possible to earn your accredited Certificate, Diploma, and Associate's, Bachelor's, Master's or Doctoral degree right in the comfort of your own home. What difference does it make WHERE you read a book? The key to retaining information is repetition. But a classroom lecture is usually said and gone; whereas Bethel Christian University study books can be reviewed as often as you wish. ? (You can make a choice of what system of learning you wish to pursue – both system of learning are available at Bethel Christian University – on campus and distance learning programs)

(NOTE: The University is not against traditional classroom settings, as we do also have provisions for students in the city of Topeka Kansas for classroom lectures)

YOU MUST WORK

In developing the body, they say, “No pain, no gain.” In developing Christian character, we say, “No cross, no crown.” And in the development of the mind, we say, “No work, no honor.”

Bethel Christian University has prepared excellent study courses, but you receive no benefit until you start studying them. Babies must be fed, but adults can feed themselves. Immature youths may need the classroom structure and a teacher to push them. But to participate in the programs of Bethel Christian University one must have a reasonably stable lifestyle and a sense of responsibility and priority. Education by mail or Distance Learning requires individual motivation and personal incentive. You must have a God-given drive and diligence. The very word “study” implies an ongoing commitment, application, and persistence to complete a course. But in the end, it will develop your mental abilities, and promote your Spiritual refinement.

Many things compete for the time you need to study God's Word. If you're a busy breadwinner, you may have precious little time for study, so you may have to sacrifice something. But in the same way that we must make room for Christ in our lives, and take time to pray, you will have to prearrange a place and create a time to study. It may require a firm determination to eliminate some T.V., etc. But God will help you develop your own techniques for avoiding distractions and overcoming interruptions.

However, we recommend that students do NOT rush through their courses too fast. You have no deadlines, so work on your studies at a relaxed and enjoyable pace. You don't want your degrees to be too close together.

HOW LONG DOES IT TAKE?

It takes a year just to get in some colleges. Then its degrees are locked into a time-served system. It can take up to six years to receive a Doctorial degree from some universities. But hanging around a campus five or six years doesn't necessarily make a person more successful than someone else who completes his or her studies in a fraction of the time. Total time elapsed is not the main ingredient of learning.

For instance, Jesus completely trained the Apostles for tremendous miracle ministries in less than 3 1/2 years. This is because our spiritual walk is not controlled by the calendar or subject to the clock. The operation of the Holy Spirit supersedes both time and space.

Therefore, Bethel Christian University does not follow a set semester schedule. We operate continuously year round (**Accelerating Programs**). Whenever you're ready for us, we are ready for you. The Lord is doing a quick work in these last days. Rom. 9:28. So Bethel Christian University has an **intensive and accelerated program** of study. Our courses are so time-tailored that you could complete them in a relatively short span.

You study on your own schedule, and proceed at your own pace, but please don't **HURRY**, because there should be a reasonable interval between your degree levels.

As soon as we receive your application, registration and fee, we will mail or email your first course(s) to you, and you can begin to study. As soon as you complete the course, prescribed papers, and pay the proper fee, you immediately receive your degree all in record time. Then you may attend a periodically scheduled Graduation Ceremony here in Topeka Kansas if you wish and you are able to come.

WHY GET A DEGREE?

There are some good reasons to pursue a solid Christian education and the degrees that go with it. It's good to learn something worthy, do something worthwhile, and earn something worth having.

Taking the Bible Courses of Bethel Christian University will make you better than you were. We should continue to grow personally and professionally throughout our lives. Most servants of God could use a little more confidence, and a degree can improve your self-esteem and image. And greater acceptance can be encouraging.

It seems every enterprise today is a challenge. Every market is competitive and demands excellence. When it comes to any kind of claim today, the public yells, "Prove it!" A degree is not to just win respect from your peer, but to help persuade the suspicious, convince the skeptical, and overcome the gainsayers. Religious degrees are becoming more important to ministers, because the people to whom we minister have their own degrees, and we need to meet and relate to them on their own educational level. Never before has a college degree meant so much to so many people.

A "Doctor's" degree is like an overgrown preacher's card. It can open "Doors" for you to proclaim the message of the Master, which might otherwise remain shut. A "Doctor's" degree is like an oversized letter of recommendation. It's a bid for believability, to reassure folks of your principles, ethics, and reliability. It's not to puff up your ego, but to add a ring of authenticity to your sermon ideas.

A "Doctor's" degree is like a microphone to boost your voice for Jesus to a world lost in religious confusion. It's not to make you popular with the world, but to lend credibility to your teaching and preaching. It's not for any personal vainglory, but just to extend the influence of your ministry of God's Holy Word.

It can broaden your opportunities for service, and promote your work for the Lord. If a pulpit committee was looking over two pastoral candidates, and most things on their resumes were fairly equal, but one had a Doctor of Theology degree from Bethel Christian University, and the other didn't, it would probably tip the scales in favor of the one who had done his homework, and land him the position.

Or, if a Church member invited his boss to your Church, and the visitor inquired about your training, how would it be if your church member had to explain that you had little or no formal education. Thus, a degree could enhance your value to your Church, and promote its reputation in the community.

As a secular degree usually means increased income in the business world, so a religious degree could spiritually benefit you and result in a brighter future for your whole family. Perhaps we should rather ask why anyone would not want a degree, if it can so maximize your potential. Can you be your best for Christ without one?

DOCTRINAL STATEMENT OF BETHEL CHRISTIAN UNIVERSITY

TENETS OF FAITH

1. This Religious Organization recognizes that its basis of faith shall be according to the doctrine of Christ found in II John 9-11, “Whosoever transgresseth and abideth not in the doctrine of Christ, hath not God.” The Biblically inspired doctrinal basis of faith which lists the seven principles of the doctrine of Christ found in Hebrews 6:1-2. “Therefore, leaving the principles of the foundation of repentance from dead works, and faith toward God, of the doctrine of baptisms, and of laying on of hands, and of resurrection of the dead, and of eternal judgment.”

Thus we see that these seven principles include the followings:

1. Repentance from dead works.
2. Faith in God.
3. Doctrine of baptisms.
4. The laying on of hands.
5. The resurrection of the dead.
6. Eternal Judgment.
7. The going on to perfection.

2. Obviously, in the New Testament Church, there was not uniformity of belief in all matters, including for example that of circumcision (Acts 15:1). The Apostles did not attempt to resolve the differences in this case. Either side was given liberty of conscience in the matter, but neither was permitted to make it an issue. We, therefore, stand for New Testament liberty of conscience but disapprove of any who would use that liberty to divide brethren.

3. **Doctrinal Position** – Our doctrinal position is purely Evangelical and Pentecostal in nature, therefore we believe in:

(a) **The One True God** – The one true God has revealed Himself as the eternally Self-existent “I am,” the Creator of the universe and the redeemer of mankind (Deut. 6:4, Exod. 3:14, Isa. 43:10-11). God has further revealed Himself as a triune being manifested as Father, Son and Holy Spirit (Isa. 48:16, Matt. 28:19, Luke 3:22).

(b) **The Scriptures Inspired** – The Scriptures both Old and New Testament, are verbally inspired of God and are the revelation of God to man, the infalliable, authoritative rule of faith and conduct (2 Tim. 3:15-17, 1 Thess. 2:13, 2 Peter 1:21).

(c) **The Deity of the Lord Jesus Christ** – The Lord Jesus Christ is the eternal Son of God and as such, shares in the Divinity and Deity of God (Matt. 1:23, John 5:22-23, 2 John 3, Heb. 1:1-13)

(d) **Original Sin and the Fall of Man** – Man was created good and upright, for God said, “Let us make man in our own image, after our likeness” (Gen. 1:26-27). The first man, Adam, through disobedience fell from the grace of God and thus sin entered into the world and death by sin. Adam’s transgression incurred not only physical death for man but also spiritual death, which is eternal separation from God. (Gen. 2:17, 3:6-24). Man’s propensity to sin because of his sinful nature necessitates salvation from the power of sin and a Savior to provide that Salvation (Rom. 7:13-25).

(e) **The Salvation of Man** – Man’s only hope of redemption and salvation from the power of sin is through the shed blood of the Lord Jesus Christ (Acts 4:12, Rom. 5:8-13, 10:9, James 1:21, Eph. 2:8).

(f) **Christ The One Shepherd** – Jesus is the Good Shepherd (Jn. 10:11) and the Great Shepherd (Heb. 13:20). There is only One spiritual shepherd referred to in the New Testament and Jesus is that one (John 10:16).

(g) **The Church and its Missions** – The Church is the Body of Christ, the habitation of God through the Holy Spirit with divine appointments for the fulfilment of her great commission. Each believer, born of the Spirit, is an integral part of the general assembly and the church of the first born, which was written in Heaven (Eph. 1:22-23, 2:22, Heb. 12:23).

Since God’s purpose concerning man is to seek and to save that which is lost, to be worshipped by man, and to build a body of believers in the image of His Son, the responsibility of the Church is:

(1) To be an agency of God for evangelizing the world (Acts 1:8, Matt. 28:19-20, Mark 16:15-16).

(2) To be a corporate body in which man may worship God (1 Cor. 12:28, 14:12).

(3) To be a channel of God’s purpose to build a body of saints being perfected in the image of His Son (Eph. 4:11-16, 1 Cor. 12:28, 14:12).

(h) **The Ordinances of the Church** – The ordinance of Baptism by immersion in water is commanded in the Scriptures. All who repent of their sins and believe in Christ as Savior and Lord are to be baptized. This is a declaration to the world that they identify with Christ in His death and have been raised with Him in newness of life (Matt. 28:19, Mark 16:16, Acts 10:47-48, Rom. 6:4).

(i) **The Lord’s Supper or Holy Communion** – The Lord’s Supper consisting of the elements – bread and the cup of the fruit of vine – is the symbol expressing our sharing the divine nature of our Lord (2 Peter 1:4), a memorial of His suffering and death (1 Cor. 11:23-31) and is enjoined on all believers “till He come”!

(j) **The Baptism in the Holy Spirit** – The baptism of believers in the Holy Spirit is evidenced by the initial physical sign of speaking with other tongues as the Spirit of God gives utterance (Acts 2:4). With the baptism in the Holy Spirit comes the enduement of power for life and service, the bestowal of the gifts or enablement’s of the Holy Spirit and their uses in the ministry of the Body of Christ (Luke 24:49, Acts 1:4, 8, 1 Cor. 12:1-31). This experience is distinct from and subsequent to the experience of the new birth (Acts 8:12-17, 10:44-46, 11:14-15, 15:7-9).

(k) **Devine Healing** – Divine healing was provided for in the Old Testament (Exod. 15:23-26, Psalms 103:1-3, Isaiah 53:4-5) and is an integral part of the gospel (Matt. 8:16-17, Acts 5:16, James 5:14-16).

(l) **The Second Advent of Christ** – The Second coming of Christ includes the catching away of the Church (1 Thess. 4:16-17), followed by the actual, visible return of Christ with His saints (the Church) to reign with Him on earth for one thousand years (Zech. 14:5, Matt. 24:27, 30, Rev. 1:7, 19:11-14, 20:1-6).

This millennial reign will bring the salvation of national Israel (Ezek. 39:28-29, Zeph. 3:19-20, Rom. 11:26-27) and the establishment of universal peace (Isa. 11:6-9, Psalms 72:3-8, Mic. 4:3-4).

(m) **The Final Judgement** – There will be a final judgement in which the wicked dead will be raised and be judged according to their works. Whosoever is not found written in the Book of Life, together with the devil and his angel, the beast and the false prophet, will be consigned to everlasting punishment in the lake which burns with fire and brimstone, which is the second death (Matt. 25:46, Mark 9:43-48, Rev. 19-20, 20:11-15, 21:8).

(n) **The New Heavens and the New Earth** – “We, according to His promise, look for new heavens and a new earth, wherein dwelleth righteousness” (2 Peter 3:13, Rev. 21:22).

Our doctrinal position is purely Evangelical and Pentecostal.

CONDUCT STANDARDS

Bethel Christian University is for sincere Christians who are dedicated to the Lord Jesus Christ. We subscribe to the highest Christian standards, and we expect our students to also reflect high moral and spiritual standards of life. We endeavor to provide leadership by example.

We will not even consider accepting a homosexual into our School, or knowingly admit anyone practicing sexual activity outside marriage (adultery, fornication, and all uncleanness). It should be obvious that alcohol, tobacco, and any other form of substance abuse are beneath Scriptural standards for the Saints of God. Students must be free from gambling, profanity, excessive anger, and such like. We expect our students to manifest Christ in their attitude, deportment, and dress.

We urge students to find a good local Church to fellowship and worship God regularly, unless they are Pastors in their own Churches. The Bible teaches us to so live as to never cast a reproach upon the Name of the Lord Jesus, or His Church. Our degrees are an honor to you, but we want you to likewise be an honor to our School, and above all give Honor and Glory to our Lord and Savior Jesus Christ who is the Lord of our lives.

The administration of Bethel Christian University reserves the right to reject any student that we have good reason to believe is failing to live up to these standards. However, after genuine repentance and a period of counseling and restoration a student may be reinstated.

MEANING OF OUR LOGO

The Cap, the Crown, the Dove, the Book and the Cross, represent the most universally recognized symbols of true Christianity and Christian Education; and they illustrate the essential elements of emphasis of our Bible College.

1. The open volume of Scriptures is the foundation of our faith, for “faith cometh by hearing, and hearing by the Word of God,” Roman 10:17. The Bible is the source of spiritual light. We are cleansed and sanctified by the Word of God. Jn. 15:3

2. The Cross represents Christ Himself crucified for our sins that we might be saved by God’s mercy and grace. Jesus, the Prime Revelation and Express Image of God, is our focus. It is in the center, as we are to be Christ-centered, and always keep our eyes on Him, who is the visible manifestation of God.

The Cross further signals the supreme act of God's Love, through which we may enjoy the fellowship of the Body of Christ, as 1 Peter 4:8 says, "And above all things have fervent charity among yourselves." Thus, the Cross of Christ is our common rallying point around which all true Christians may gather in unity.

3. The Dove represents the Holy Spirit, to whom we are to yield our hearts and surrender our lives that He might lead us in all we think, say, and do. We are to be filled with and baptized into the Holy Ghost in order to receive power for service, and anointing to preach, teach, and sing. The dove is the symbol of the Holy Ghost and "Where the Spirit of the Lord is, there is Liberty," II Cor. 3:17. "God is a Spirit and they that worship him, must worship him in Spirit and in truth," John 4:21. All truth comes from the Spirit of Truth. The Bible didn't produce the Spirit; the Spirit of God produced the Bible.

4. Cap and Crown 2 Timothy 2:5 Also, if anyone competes in athletics, he isn't crowned unless he has competed by the rules. 1 Corinthians 9:25, every man who strives in the games exercises self-control in all things. Now they do it to receive a corruptible crown, but we an incorruptible. It represents achievements and successful completion of divine assignments.

And finally, the surrounding circle simply draws it altogether into one, just as the Father, Son, and Holy Ghost are one in three and three in one, (The Power of Unity). The circle keeps these things together and in balance just as we are to be balanced emotionally and intellectually.

This is the significance of our symbol and no other design more simply and clearly denotes God's Word, God's Son, God's Love, and God's Spirit,--- and what could be greater than these? This is our Christian banner, emblem and the principles that Bethel Christian University is founded upon, and why it decorates our books and letterhead.

SCHOOL COLORS

We are not limited to just a couple of colors, for God loves variety. Our official colors are Gold, White, Wine, and Royal Blue.

OUR KEY TEXT

"Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth," 2 Timothy 2:12.

ADMINISTRATION

The administration of Bethel Christian University is vested on the Board of Directors. They are responsible for setting up the spiritual, Academic and administrative policies of the University.

The General Administration and Academic Affairs is vested and delegated to the President, Vice-President, Academic Dean and the Registrar.

FLEXIBILITY

Some schools are so rigid about their many rules and regulations. Bethel Christian University does not wish to be so rigid in dealing with individual student circumstances. If there's something we can work with you on, let us know how we can accommodate you. If you have a unique situation, perhaps we can find a creative solution.

INTER-FELLOWSHIP AND COOPERATION

The Bethel Christian University believes in fellowship with all the Body of Christ. We seek to cooperate with all local churches that stand upon the uncompromised Word of God; and to work with all other Christian organizations. We do not subscribe to the ecumenical movement of the One World apostate church. We evaluate each student upon His or her present personal qualities, not by past sins or former affiliations. And we wish to maintain a mutually respectful relationship with all other good Bible schools.

THE IDEAL BIBLE COLLEGE COURSE

The ideal Bible course should meet three specifications:

- It must be Biblically true, doctrinally sound, spiritually rich, very understandable, and useful in your daily life.
- It should be inexpensive, affordable, and within the reach of most everyone.
- It should not be too time consuming, too much of an inconvenience upon one's busy schedule, and free from boring "busy work" requiring unnecessary toil and hassle.

The Holy Bible should be the Supreme Text Book of every Bible School and the steadfast criteria for judging all doctrines, practice, and experience.

Therefore, Bethel Christian University has put meticulous care into its courses to make sure every statement lines up with the Word of God. Each course is a well-organized body of knowledge about God, man, the Christian life, and the ministry. They are spiritually inspiring and academically excellent.

THE CONCEPT

The University concept of Theological Education is a response to the often heard comment, “my college and seminary training was not practical for the real world. It just didn’t prepare me for the ministry”. This impractical approach to education is usually the result of course and programs which are designed and implemented by individuals who do not have ministerial experience and training. This is the “Ivory Towers” approach to education. To make education practical for the real world, Bethel Christian University offers courses of study and degree programs created by individuals who are recognized as experienced experts in their respective areas of knowledge

THE OFF CAMPUS FACULTY

The Bethel Christian University off campus Education Faculty is a network of academically qualified and experienced men and women across the globe. These individuals have earned graduate level and post graduate degrees at other institutions. Each one has a God given desire to help you accomplish your theological education and apply your Training in your ministry. You will have an advisor in each subject who will help you to maximize your education.

DISTANCE LEARNING PROGRAMS

We have made provisions for those who *have the call of God but at present unable to attend full-time or part-time courses. Our proven concept of practical College training is channeled through a variety of subjects, and degree programs. These are implemented by a qualified and experience extension faculty, which will be involved with you in every course of study. The final result is a degree program which is a genuine learning experience and immediately applicable to your specific ministry. Because you study at your own pace, you can begin at any time for extension, and correspondence courses. Why not decide today to add a new dimension to your life and ministry.*

HOW IT OPERATES

PRACTICAL MINISTRY

GUIDELINES FOR PREPARATION OF LIFE EXPERIENCE, MINISTRY RESUME AND ACADEMIC EVALUATION INSTRUCTIONS

These instructions are intended to assist the student in the preparation of a life experience and Ministry Resume, to be used in a life experience and academic evaluation by Bethel Christian University. The reason is that we learn many valuable things through work, military experience, projects completed, reading, non-credit seminars and workshops etc. that may be translated into college credit. A student may be qualified for up to 30 life credits in order to qualify; the student must be at least 25 years of age and provide documentation through the life experience resume. This resume is sent to the University and evaluated by the Dean of Studies, who will decide how many life experience credits can be approved. Submitting a resume is not a must to have a credit if not deserved.

The process of preparing a life experience resume is simple. The following guidelines can assist the student in preparation of his or her resume.

Make a comprehensive list of all the experiences you have had in the following areas:

Your present occupation – (paid or volunteer), Military duty, Project completed, Seminars and workshops attended/conducted, Awards received, Publications and Writings, Teaching Ministry, Preaching Ministry, Pastoral Ministry, Served on Boards, Ordination received, Membership of professional bodies, Working experience with employers with dates, Educational Institutions attended with dates, and qualifications obtained – (secular/theological), Non-credit course taken, Counseling works, Missions work, Ministry of Administration and other useful information that will enhance your credits.

Decide if those experiences should be worth of college credits and express a formal statement your justification of each. Provide adequate documentation of the experiences including letters of commendations, awards etc. The documents should verify both the quality and the quantity of experiences which you have had. List all the courses and subjects you have taken so far, all your employment history and years of experience, your ministry experience or church involvement history and additional life learning experiences and special training you have undergone etc.

The resume/evaluation sheet should be mailed along with the application forms etc, to the office of the Registrar, Bethel Christian University. Students are advised to make additional copy of their resume for file in case the one they submitted got lost in the mail.

PRACTICAL MINISTRY CREDITS

The main objective of our Practical Ministry Evaluation is to help you discover and develop skills necessary in performing your God given ministry. We are dedicated to the task of training men and women of God to serve others. Each level of study requires ministry credits - (on the job training on each field of study).

Practical Ministry credits may be obtained through documentation of Christian service hours (that includes present and past activities) in your Church, Religious organization, non-church ministries, Evangelistic Ministry, Christian Counseling ministry, Teaching and preaching assignments etc. These service hours must be verified by the Senior Pastor of your Church or President of Your Ministry, or the Senior Counselor on a service evaluation report.

Service examples cover areas such as: Deacon, Deaconess, Sunday school Teachers, Choir Ministers, Music Ministers, Hospital/Jail Ministers, Assistant/Associate Pastors, Nursing Home visitation, and Administrative Ministers etc.

Bethel Christian University requires that church attendance should be on a regular basis, to enable you meet with the requirements set for this practical ministry. This must be supervised by your immediate Pastor or President. Your Practical Ministry service will be evaluated, the credit hours and the grades will be assessed to determine the total credit hours you will have. EG. 1 hour of service per week for 18 weeks = 1 credit hour, 2 hours of service per week for 18 weeks = 2 credit hours.

PRACTICAL ASSIGNMENTS

This University believes that winning souls and building the local church should be the ultimate goal of every graduate. Because of this, periodical report must be submitted to the office of the Dean of Studies for their practical assignments. Students are also required to submit general assignments on each course of study as part of requirements for graduation.

PROGRESSIVE LEVELS OF DEGREES

A degree is an academic title conferred by an institution of higher learning showing that a person has satisfactorily completed a particular program of study. The certificate is the actual document itself.

Degrees are progressive. One level is built on the preceding one, each level representing a higher work effort, and the equivalent of another year of study. Bethel Christian University offers all the six levels: Certificate, Diploma, Associate, Bachelor, Master, and Doctorate degrees.

DEFINITIONS OF DEGREES

All of these degrees are religious in nature and not only overlap, but are sometimes thought of inter-exchangeable.

- **BIBLICAL SUBJECTS** - the study of major Scriptural themes and the main topics of the Sacred Scriptures. Courses dealing with various doctrines of the Word of God; that which is devoted to the fundamental beliefs of the Holy Bible.
- **CHRISTIAN EDUCATION/ADMINISTRATION** - general instructions in Christianity, and the study of the doctrines of Christ. Training in the teachings of Jesus Christ and the development of Christian Character, Administration, and Management.
- **DIVINITY** - the study of the one and only Deity. Having to do with the supreme, infinite and eternal qualities of the Almighty; pertaining to the Divine Godhead or Holy Trinity. That which is inspired by God.
- **MINISTRY/COUNSELING** - pertaining to the work of the Lord and service for God. Training in the performance of office of clergy. Rendering help to people and caring for the saints.
- **THEOLOGY** - the study of God and the expounding of Christology; Courses dealing with the relationship between God and the universe and man. The cultivation of the theological virtues of faith, hope, and charity, and Christian worldview.

Since our courses are rather general, we don't mind accommodating our students by granting their preference to receive their Certificate, Diploma, Associate, Bachelor, Masters, or Doctor's degree in Biblical studies, Christian Education, Divinity, Ministry, or Theology, etc. because as stated above, these terms blend and overlapped in most creeds, books, and schools.

ACADEMIC DRESS TODAY

The tradition of the academic dress began around the 12th century in European Universities as clergy composed the majority of the educated class. The academic costume is an adaptation of the cape or mantle, worn by Church dignitaries in religious processions. Through time, many colors and designs of the cap, gown, and hood developed. In 1896, colleges and universities of the USA adopted a uniform code of academic dress. Most institutions today use the black gown, hood, and mortarboard worn by graduates. The colors represent the school colors. The doctor's hood has five panels and is slightly longer. The mortarboard, also called the "oxford cap", has a long tassel and the pendant is worn over the left front of the cap.

When you receive your degree from the Bethel Christian University you may use your own robe, if you have one or you can rent or buy a cap, gown and hood from any of the robe company.

DISCOUNTS

To honor the sanctity of Holy Matrimony, a husband and wife may share the same COURSE BOOKS. Bethel Christian University is also willing to give a 50% discount on the degree fee to the spouse of our students. Husbands and wives are on the honor system to do independent work. We assume your integrity.

TRANSFERING CREDITS

Most colleges and universities use what is known as a "semester hour/credit system". Generally a credit is a semester hour. In a traditional Bible college, a semester hour is around 30 to 48 clock hours of classroom attendance.

Bethel Christian University is willing to accept the credits you have earned from other legitimate Christian Schools whether they are accredited or not, as long as they teach the Bible

Bethel Christian University credits shall be acceptable at many other good schools, but whether a PARTICULAR school or agency will accept our credits and/or degrees is quite unpredictable. We cannot be responsible for the decisions and policies of others. It's a very subjective issue depending upon many circumstances. But I believe you will find most similar schools will accept transfer from Bethel Christian University.

If you plan to apply for some state licensing or a faculty position at a particular educational institution, it would be best to make inquiry as to the requirements of that agency or school at which you wish your education to be recognized. At this time, a degree in counseling from Bethel Christian University **will not** allow you to set up a formal practice as a licensed professional counselor and **charge fees** for your services. To deal with stress, depression, anxiety, panic, phobias, and all kinds of sexual disorders **for pay** requires a State license. The University's counseling degree is Pastoral in nature and practiced within the church for spiritual benefits of her members.

OFFICIAL TRANSCRIPT

Official Transcripts of course completed will be sent on request upon payment of transcript fee approved by the University. Official Transcripts for academic/admission purposes should be requested by the school.

But you should wait until you have completed all studies with us first. Also, any lost or damaged degrees may be replaced for a \$30 fee.
