

# Prayers for Dorian Survivors

Rachael Martin 9,4,2019

I just wanted to use today's platform to pray for those who have been or will be affected by this hurricane Dorian. We are on the Southwest side of Florida and it is Wednesday and because this system is moving so slow, it's been a wake up and look and then thank God and continue to pray kind of weekend and week so far.

What I've gathered out of this slow moving hurricane is that sometimes when things move slow, it presents opportunities to get our things in order or to think about things we may have forgotten when preparing for an event. I saw what was all out mayhem at the stores over this past weekend come to a halting quiet when we were watching Hurricane Dorian just SIT over the Bahamas.

Some of us here were thinking what if it does the same thing to the East Coast of Florida?? I believe that the Lord has shown us that we have the power of Jesus to calm the winds and speak to this system and any other system. I believe He's given us the time we need to agree with one another and speak to this system.

We have been speaking to Dorian to change course and go back out to sea just like we spoke to Irma. Your will be done Lord on Earth as it is in Heaven. So if you all will agree with me?

*Heavenly Father, You have taught us to pray and to agree with others as we lift You up and praise Your name – we don't exalt anything above You – including this storm and any other storm to come. Father I ask that You would continue to protect those who need Your protection from Hurricane Dorian. We continue to command Dorian to cease and fizzle out in the name of Jesus Christ. Father, I pray for those who have been affected in the Bahamas and anywhere else Lord – please provide and bring help – bring hope and light, bring salvation and healing. Father I pray that You would uncover anyone who needs to be saved and that You would send strong capable people to help where needed. Thank You for Your continued love for Your creation and for those who don't even know they need You – Father we love You and we bless Your name – above all names – Jehovah Jireh, our Provider – Jehovah Shalom – our God of Peace. Let Your mighty hand calm the hearts of those who feel they are in the path of this Hurricane and may those*

*who don't know You, have an opportunity to see Your grace and compassion move in Jesus name – Amen.*
