Story & Toddler Time

April has just flown by!

Already we've reached the end of our Story and Toddler Time Spring session. It truly feels like we've only just started.

Isn't it funny just how far, yet like yesterday, January feels?

For Story and Toddler Time this month, we missed a week to celebrate Easter, and the kids came back so excited and couldn't wait to tell us all the fun they had doing Easter egg hunts and the things they got from the Easter Bunny!

We dove right back in with a fun story: Cloudy With a Chance of Meatballs. The kids found it so silly and so cool, talking about all the foods they'd love to fall from the sky!

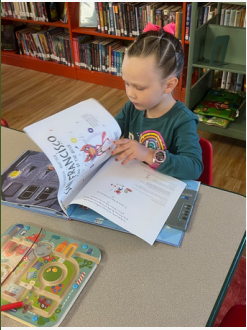

The next week we read about bugs, reading: Bluey and Bingo's Book of Bugs. We talked about the bugs we like and the ones we definitely don't. The most favorited bugs were Lightning Bugs and Lady Bugs. The least favorite were Spiders and Stink Bugs.

For our final week, we got some snow on Monday morning! Can you believe it? We started with snow and ended up with 80 degrees by late week!

We read Lorenzo the Pizza-Loving Lobster and his Sea Turtle friend Kalena who try pizza for the first time ever and try to recreate it on their own. They fail a few times, making very gross pizzas out of kelp, sponge and jellyfish jelly before they finally figure it out and share it with the rest of their sea friends! We celebrated the end of the Spring session with a pizza party of our own and had an absolute silly, wonderful time!

We'll miss you, but we'll see you in summer!
