

SHEPHERD'S PIE

By John Lipinski

Shepherd's pie, m,m,m, mashed potatoes and meat
My, oh, my, a little gravy, corn, and some cheese
Shepherd's pie, will somebody save me a seat
I'll be at the table, as soon as I'm able, got to finish counting these sheep

I am a shepherd, you see, and I should be tending my flock
When they become scattered, it doesn't matter, it's not important to me
Perpetually, hungry is me, and I'm always watching the clock
Look for a stray, who needs wool, anyway, brother, it's time to eat

Shepherd's pie, m,m,m, mashed potatoes and meat
Why, oh, why, is there never enough cheddar cheese?
Shepherd's pie, m,m,my favorite dish, what a treat
Call me a sinner, but not late for dinner, I know when it's time to eat

I am a shepherd, no kidding, here to gather God's sheep
It's hot in the sun, there's work to be done, got it made in the shade, I'm the boss
But, I think it's time for a nap, always drowsy after I eat
I shouldn't sleep, should be looking for sheep, to find the ones,that are lost

Shepherd's pie, m,m,m, mashed potatoes and meat
My, oh, my, a little gravy, corn and some cheese
Shepherds's pie, will somebody save me a seat?
I'll be at the table, as soon as I'm able, cuz, brother, it's time to eat!

Shepherd's pie, m,m,m mashed potatoes and meat
Why, oh, why, is there never enough cheddar cheese
Shepherd's pie, m,m,my favorite dish, what a treat
Call me a sinner, but not late for dinner, I know when it's time to eat!
I'm getting thinner, better call me for dinner, cuz, brother, I just gotta eat!
