

~ Mary's Message ~

With the Multiple Changes occurring in life and throughout this great Universe, many have taken great **Pride** in a **Prelude to Peace**. Each embodiment is a **Sacred Vessel**, holding an amazing Light, as a **Keeper of the Eternal Flame**. Those who are in a **Conscious-Connectivity**, are finally breaking themselves **free from the Old Habits, Negative Patterns and a Looping from Outside Control**.

As One is Refined and Defined with the **Energy of own Experiences**, the Truth will set the **Old Memory in Motion**, Activating one's **Arrival** to Freedom. As the **Living-Light-Tablets** of Self begin to **open**, a Remembrance of **Who we are and Why we are Here** is Discerned. Our **Innate Story of Self** begins to **Unfold the Missing Pages** from the **Records of one's Repository**, to be Revealed the Truths once forgotten.

~ In a Collaborative **Experience**, we are
getting ready to **Enter through a Gate of Goodness** ~

A Great-Awakening of **Inner-Light** is occurring, as we watch the **Darkened Shadows being Released** from our Past. **Enlightenment is Emerging** into humanity as **Victory** is upon Us, and it cannot be denied.

The **Energy of New-Experiences** are Alive and Full of Light-Frequency, that is providing us with an ability to flush all Old Conceived Notions, that can no longer sustain or remain within the **Embodiment's System**.

The I Am is ready to be encapsulated into this **Divine Devotion** of *Self-Love, Harmony and Balance*, from the old mattered-frequency of worn-out habits and looping reruns, influenced and controlled by self, or that of other.

As **Great Love** is opening within the inner-sanctions of our own being, a **Self-Love** of the **Embodiment's Energy Fields** are Emerging and Collectively Conjoining a One Aspect; as a **Vessel of Victory** standing in a **Poised Positioned of Peace**, Ready and Willing to be Received.

As **One Decrees**, it is within the **Light of Victory** that **Self-Mastery** is Illuminated, and Heightened into the **Presence of this Peaceful** State of Existence.

When one Gains **Self-Empowerment** of their own **Light-Abilities**, they become immersed, and in-tune with their faculties of the **Great Divine I Am**. As an Embodiment of Love and Light, one is in sovereignty of their **Reasoning-Mind** and **Soulful-Heart**, therefore, releasing judgment, rule or authority upon that of another.

One chooses to live within the **Law of Light**, Providing, Servicing, Caretaking and Rendering the **Eternal Flame of One Light thy Same**.

More and More **Solid Structures** that were once built with **Brick and Mortar**, in a **Construction of Control** are now being Released. And as the **Energy of Experiences Enhance**, the Inner-Casings of our **Crystalline-Coded** bodies begin to **Emerge** as a **Cylindrical Cathedral** in a **Tube of Light**, Produced by **Love**.

As the Auric-Field of the outer-embodiment is surrounded by, and encased within the **Eternal Flame**, the **Devotional Deity** Enhances the **Decrees of Self-Mastery** to the **Proclamation of Peace** within the **Self-Realization of the I Am Presence**.

Within Wholeness, one remains Consistently in the **Christed-Consciousness** of this **Violet Flame** as in Unison of the **Divine Decree, I Am**. When one is released from the '**outer**' influence of a *person, place, event or situation* that once held dominion over another, is when one gains momentum and altitude of the Higher Self, Crafting and Creating the **Divine Presence of their Mighty I Am**.

It takes Time, Great Strength, Desire, *Constant Commitment*, Lessons Learned, Integrity, Self-Empowerment, Self-Encouragement, Self-Dedication and ethical and moral Values to become this **Vessel of Victory**.

Being **Patient** is the **Key of Self-Mastery**, in a **Self-Discovery of the Divine I Am**.

An **Awakening of Self-Empowerment Has Arrived**, thus Allowing the Self, to be in the **Stability and Stance of Life**.

Self-Mastery is **Self-Empowerment** held in **Self-Authority** reigned and governed by these **Laws of Light**.

Creating in Creation with ethical and moral values taught by the God Source, is our Intelligence and Integrity of the Conscious-Collective, and as Angelic Host, we **Serve of Self** (SOS).

It is time to be set Free, over All **Old Death, Dis-ease and Misery**, and be in the Full Body, Mind and Spirit as a **Vessel of Victory**.

We are Arriving One-by-One from a *Limitless-Space*, that offers one to Remember, and be **Uncapped** from a place once called **Fear** (False Evidence Appearing Real).

As One has gathered in a **Co-Collective Consciousness**, the Energy of the Whole Embodiment **Embraces the Experience** to live in a **Presence of Peace**.

As one is **Released, Repaired and Remembered, a Renewed** Sensibility is awakened, and an Energy of the One-Aspect begins to emerge, Representing the **Presence** of the **I Am**. This **Energy-Body of Love and Light** has incarnated over and over, to become this **I Am**.

We, the Arrived are Awakened.
We are Willing and Ready to be Received.
We have collectively "chosen" and agreed to be Free!

We are in a Prelude of a **Pomp and Circumstance** to Waltz through Life in Light.

With goodness and wealth, health and prosperity, an **Accessional Anomaly** is now in its occurrence of this **Advent**. Our Arrival is of Impeccability, in this Great Tomorrow, here upon US today.

The Key . . . is Simplicity

To Be in the **Simplicity of own Self Ministry**, is one that shares, provides, gives and now abundantly Receives of Own-Self, a **One-Light-One-Love ~ Exemplifying Equality** in Formulas now being remembered.

The **Reincarnation Process** and its Journeys have been Long and tiresome. The Roads have been heavily traveled, worn-out and dated.

One has diligently searched to be **Found**, and to remember their **Divine I Am**. The **Journey** will eventually **Activate** a Remembrance of why one became **Lost** in the first place.

In **Self-Mastery**, the **Road-Map** is found within. The internal **Presence** is an Illumination, a **Flame of Freedom** that will Rise one **H.OM.E** again.

The Key . . . is Patience

In our Knowingness, we are **Peaceful Pilgrims** longing for the **Homestead of New Earth**, we Continue to **Pioneer the Path of our Soulful-Purpose** and Live the Light as commissioned from Love.

We are in the **Heavens-Horizon** right here at this **New Gate of Goodness**, please See it, and go Explore, **Experience** and Receive the **Divine Energy** as the Heart Desires.

We are in **Renewal of this Remembrance**.

You are a **Bringer of this New Dawn**, from this **Last Eve . . .** that we did agree to be Free.

Obtaining Enlightenment comes from within, as an Accessional Process into the Dominions of Own, as a **Key of Self-Mastery**.

Self, is Defined and Refined from the many facets of this Great and Majestic Universe.

It will take a Great Desire, and lots of Intentions through the Integrity and Intelligence of the Great Divine Self to become this Knower, this Entity of One Light, One Love.

Though through it all, we have Survived, and now we shall **Thrive**.

Living-Energy is Free, and an **Experience** that is Living within the **Whole Body, Whole Mind and Whole Spirit** ~ encased with the **Divine Devotion** of the **I Am**, as One lives within the **Presence** of Love, as a **Key of Self-Mastery**.

To whom it Decrees, shall release all **Death, Dis-ease and Misery**, and become a **Vessel of Victory ~ Love and Light**. And within Unison, Divisions are set **Free**, in Oneness to **Simply Be**.

We are about to embark on a '**next**' Experience that will **highlight** so much more of what we have been waiting for, and worked lifetimes to Achieve.

The **Knower** Who **Knows**, has learned how to **Utilize** these offerings being brought upon us as a connection to the **Divine I Am**.

The **7EE** is a **Sacred Energy-Experience** to Awaken the Sleeping Seals of Seven.

Housed within the **Wheels of Living-Light**, are Sacred Codes-behind-the-Codes, just waiting to be stimulated, awakened and utilized.

As the Self begins to awaken the Codes-behind-the Codes of these **Sleeping Seven**, Energy begins to **Rise** within the Embodiment's System, **Unsealing and Revealing** a Self-Remembrance.

While in **Self-Assistance**, the Embodiment continues to change in a **Natural Alignment**, altering the makeup of one's existence in preparation for the **Crystalline Light Body**. One has been preparing for eons of time to **Find the Formulas** and Sacred Energy Housed within the **Seals of Seven**.

*"The Wheels of Light (Chakras) Spiral and Formulate the Energy to **Survive**.*

*The Awakened **Sacred Seals of Seven**, offer the **Energy of Experiences to Thrive**"*

The **Divine Source** has chosen the time to be NOW, because you are Ready to Awaken your **Keys of Self-Mastery** as an offering of **Self-Love** for **You**.
