

REVIEWS FOR A HAUNTING EXPERIENCE TOURS

“Fun and so Different”

We were only in Prescott for one day, with another scheduled event, so could not take Darlene's normally scheduled tour. She happily arranged for a private afternoon tour for just our family. Darlene is personable and knowledgeable. Our tour during the day did not afford us the "creepiness" factor that night would have, but we enjoyed hearing all of the stories, and visiting the hotels/restaurants and saloons that have had sightings. Darlene took us to places that we would not have found on our own, and truthfully, when we go back, we'll stay at one of the hotels she showed us. About two hours of easy walking with sit down breaks - appropriate for the whole family. Thanks Darlene! We did 12 separate events in our week in Arizona, and my 12 year old enjoyed this the most.

Great tour, very interesting

Darlene spent 2.5 hours with a group of 7 and kept us all interested and engaged. She remembered everyone's names, had actual photos and videos of ghostly activity, not just pics. Fascinated stories, loads of history of Prescott and melt is all focused and engaged. Great tour that we highly recommend. Don't miss this fun way to spend an evening!

This tour is more than seeking paranormal, it takes you back in time to the Wild West.

I highly recommend this tour. Darlene is a treasure and knows a lot about the area history and is attuned to the energies surrounding her. It is very informative, entertaining, affordable, and a great way to see and learn more about the Prescott area. The two scariest places for me were the basement of hotel and the stairwell near the Masonic building. The tour can be scary or toned down depending on your sensitivities, but then again, you never know who will be visiting! ;-) I love Darlene's upbeat personality. She's so easy to be around you'll want to hanging around for hours with her. Enjoy.

A Great Prescott Experience

Me and my fiancé went on the ghost tour with Darlene. We enjoyed the stops to the Hotel Vendome, the courthouse square, the Palace Saloon, and the Hotel Hassayampa. At each stop Darlene shared stories from her own experiences and experiences of others while sharing videos/photos of paranormal activity on her phone. Darlene was a great resource for not only the paranormal happenings in Prescott but also the history of the town. She even provided dinner recommendations for where to go for Italian food! We were very impressed with her knowledge of the downtown area. If you have any interests in the paranormal or Prescott in general, I recommend reaching out to Darlene to schedule a tour!

Interesting but no ghosts

My husband and I took this tour last night. Darlene was very informative. She taught us how to uses our cameras to best capture the spirit aura. She was full of pictures on her camera. However, much to my disappoint after two hours of walking around the town to all of Darlene's known apparitions, no spirits appeared in any of my pictures. That being said, listening to Darlene tell the history of the town and the stories behind the hauntings was very enjoyable. Perhaps we didn't see or feel the aura of any spirits was because there was a adorable 6 year old boy named Thomas on the tour with us. He was even dressed up on a ghost buster outfit. He entertained the whole crowd with his enthusiasm as we went on the ghost hunt.

Awesome Tour!

I surprised my 14 year old daughter with tickets for this tour. Our guide, Darlene, was very friendly and knowledgeable. We were able to walk inside the haunted hotels and saloons, and given plenty of time to try and capture "orbs" with our cameras, which my daughter loved! I loved the history behind the tour; the story of Billy the Kid was my favorite! My mother-in-law was raised in Prescott and was impressed with the depth of our guides' knowledge, as Darlene shared stories that even she was unaware of! I would most definitely recommend this tour to anyone, and say that it is a MUST see if you are in Prescott. I'd even purchase tickets for a second tour!

Fun and Interesting

We recently took our second Haunted Tour with Darlene. She is an amazing lady filled with so much knowledge about the history of Prescott and has many "ghost" stories. There are many fascinating things that have happened, and continue to happen, in Prescott. I would highly recommend this tour. We have visited Prescott many times and we learned so many things we never knew. Darlene takes the time to answer all your questions. I wouldn't say it's scary, it's just fascinating and so interesting.

Darlene is a walking "campfire" ghost storyteller!

Prescott has such a rich history as the Arizona Territory Capital in 1864. All of the iconic western legends from Wyatt Earp, Doc Holliday and Billy the Kid, could be found there as more modern luminaries, such as Sen. Barry Goldwater. There are so many stories to be told, including the tragedies of untimely deaths and deaths on a date certain (hangings). Not only has Darlene researched Prescott's rich history, she has also revealed evidence of paranormal activities (ghost sightings) found in its classic hotels, bars, theaters and halls of justice. The walking tour was fascinating and entertaining. I won't spoil the drama, but we did see "orbs" that were consistent with the stories she told. Whether or not you are a "believer," it was a real treat...don't miss this one!

Interesting

We were lucky and had Darlene all to ourselves on a beautiful night so we covered a lot of areas and got to hear some great stories and visit some interesting places. Darlene is working hard to know everything there is to know about the area and shares her stories with great passion. Worth taking this tour

Come see Prescott in a Different Way!

Darlene's Haunting Experience Tours is very fun and informative and ours started at the Hotel Vendome. As most have stated it's about an hour plus walking tour with sitting breaks as needed. I can only imagine how fun this tour will be in October!!! Book it early if coming to Prescott in October!

Haunting experience

Darlene is a wonderful historian and makes the tour fun and interesting. I didn't believe in orbs or "spirits" roaming anywhere. Now I completely believe in orbs, saw them with my own eyes. Great tour! Thanks Darlene!

Fun way to learn about the 'other' side of Prescott!

We met Darlene at the Hotel Vendome to start our tour. We were with another couple and their two teenage granddaughters. Darlene was most personable and filled with stories about 'old' Prescott. We visited several haunted locations. We didn't see any ghosts but we felt that anything was possible. We learned a lot about the history of the old wild west and some of Prescott's early residents. Highly recommend.

One of the most enjoyable outings we have had in Prescott

My wife and I took the roughly 2 hour Haunting Experience tour last night and it was a totally enjoyable experience. Darlene, our hostess, explained how when she started the ghost tour years ago she only knew of two ghost tales in Prescott. Over the years locals have shared their ghost stories with her to where she has a number of interesting tales, a couple with some pretty convincing photos or video to back them up. She is also very knowledgeable about the history of Prescott, which as an historian, I took as an added bonus. We enjoyed it more than the Haunted Walk of York (England), which is quite an endorsement. Definitely a must do on your outings list.

Ghosts and History, what more do you need?

My husband and I took a weekend trip to Prescott at the beginning of this month. I love the paranormal so I looked on the internet to see if Prescott had a ghost tour. I found Darlene's tour and booked it right away; my husband is a skeptic so he was doing the tour for me. We met Darlene on a Sunday and had her all to ourselves! The tour was great, the creepiness of the ghost stories and experiences by other tourist wrapped together with the history of Prescott, made this ghost tour experience awesome. My husband really enjoyed it, ghost and all!

Great Tour of Prescott - Past & Present!

I highly recommend this tour as a "must do" when you visit Prescott. I took this tour when I first moved to Prescott and then once again when we were entertaining a large group of guests from out of town. Prepare yourself for an evening filled with Darlene's captivating ghost stories as well as hearing tales about some of Prescott's intriguing history. She provides an easy, well-paced walking tour of the square with visits inside of several of the more interesting "hot spots". Be sure to bring your camera on this tour – I ended up with many pictures with very clear orbs from quite a few of the locations we visited. Great fun!

Best in Prescott!

Darlene is full of knowledge and was able to get us in a few hotel rooms and lobbys. I definitely see Prescott in a different way. I appreciate it more. Full of history & ghost stories. Would definitely recommend.

A Great Time Was Had By All

I have been on several haunted tours in the past, but Darlene's was by far one of the best. She has an excellent knowledge of the history of Prescott. Darlene knows many of the people who have had ghostly experiences in Prescott, and she introduced us to them and let us hear their stories first hand. A ghost tour with Darlene is like spending an evening with a good friend, you don't feel like you are being lectured on the town, but instead are being made privy to Prescott's haunting secrets from a good friend.

Most wonderfully haunting evening!!!

I had an amazing time on the Ghost Tour and Darlene is the best guide. She is extremely knowledgeable of the history of the area and it was just fun, fun, fun for all!!! Highly recommended if you are in the area or are going to be visiting.

Matt & Rose - "Fun & fascinating evening"

Talked my husband into taking Darlene's tour and we had a great time. She was very knowledgeable about the area & its history, historical and haunted. We were lucky enough to be the only people in her group that night, so we were able to ask a lot of questions and she was able to share a lot of information and personal experiences. We were even able to meet some of her friends who had recently had a paranormal experience a few days prior and were allowed downstairs to check it out and hear a first hand account of the event. Darlene

encourages photos and I was lucky enough to capture a couple of orbs. It was an interesting night and we plan to do the tour again the next time we are in Prescott. Thank you Darlene for a fun and fascinating evening. I'll be sending you my orb pictures. Can't wait to hear what you think about them.

Prescott in a new light

We had a great time on Darlene's tour. We learned things about the town we didn't know before. This is a must do experience for paranormal AND/OR history buffs. Darlene is engaging and gracious. My husband and I enjoyed the stories of the ghostly happenings and were fortunate to experience a couple ourselves. Wonderful night!

Hauntingly historical!!

My bf surprised me with this tour and I was extremely excited since I take interest in paranormal activity. I never expected to get a tour with so much rich history in addition to learning about all of the hauntings throughout the little town of Prescott. We even got the chance to see jail cells and a speak easy that exists underneath "the palace". I tend to ask a lot of questions and Darlene always had an answer. She's a great guide with a wealth of experience and knowledge that made me want to sit down and have coffee with her just to hear her experiences. I am a native Arizonan and I highly recommend this tour for out of state visitors as well as Phoenixians!

A must do when visiting Prescott

I recently went on the Haunting Experience Tour. Darlene was extremely knowledgeable on the history of the area, shared many stories of "happenings" experienced by many who have stayed in the hotels. She made the tour loads of fun and had answers to all the questions posed by members of the group. There were 5 who attended the tour I went on which made it fun. We could always hear what Darlene had to say, and the group was small enough that we found it easy to talk with each other along the route. A bit of rain didn't stop us either. We were all eager to venture on. The overall walk was about a mile. I highly recommend the tour whether you are a "believer" or not. When I get back to the area, I will book the tour again, and hope to have a chance to stay in town for a longer stay. Darlene takes a genuine interest in all members of the group and makes sure everyone is enjoying the tour. She even had recommendations of shops, eateries, etc along the way.

great time in Prescott, AZ

My husband and I did this tour and had a fantastic time. We loved hearing about the town's Old West history and seeing the local haunted places. I took some pictures and had a number of orbs appear at one of the locations. We loved this tour and would recommend it!

fun and very interesting!

Prescott has a very-west and very fascinating history, and Darlene makes it come alive. And in addition to all the history Prescott is full of ghost stories! I'm not as into the ghost stuff as my friend who planned the trip was, but somehow the ghost tales greatly enhanced the history. Fun!!! It was the perfect combination of walk, listen, photograph and ask questions, took place on a beautiful night, and was the highlight of our trip. We still talk about it. I definitely recommend this tour.

spooky meets history

My husband & I are from Vancouver, B.C. We took my aunt & uncle from Phoenix on Darlene's tour in October. Because my uncle has severe Parkinson's disease & has mobility problems, I spoke to Darlene & she agreed to give us a private tour during the day. We were able to get around @ my uncles pace. I don't know anyone who would do that. Prescott has such an interesting history & Darlene knows all about it, ghosts & all. We could all recommend this tour to anyone.

Fun and Knowledgeable

My mother and I had the best time on Darlene's tour, it was the highlight of our trip. My Mom and I learned so much about the town and its History on top of hearing about the ghost who still inhabit the streets and buildings of downtown Prescott. I recommend this tour to everyone I can and I am already looking forward to doing it again on my next trip. Not only will you leave this tour with a wonderful knowledge of the Ghost and History of Prescott but you will leave a Haunting Experience Tours with a new friend in Darlene. Give her a call and check it out. Wear comfortable walking shoes and don't forget your cameras! I recommend more than one if you can.

Fascinating!

Darlene is well versed in the history and characters of the old west. She tells stories with interest and humor that bring the past vividly alive which enhances the experience of being here now. I've lived in Prescott, AZ for about a year and had read up on the history of the area, but it wasn't until I went on the ghost tour that I felt I had an introduction to the real place and its characters. And the stories of the ghosts and their hauntings are fascinating! If nothing else, you will surely be entertained on this Haunting Experience Tour. Don't miss it!
