THE ADOPTER AGREES TO THE ADOPTION POLICIES

1. The adopted horse may not be raced, bred, sold within six months, given away, assigned or disposed of, or have any interest in thereof transferred.
2. Transportation arrangements and costs are the responsibility of the adopter at the time of adoption.
3. Only if prior approval has been agreed upon by HHRF, then and only then the adopter may release the horse from their care to HHRF.
4. It is further agreed that the adoption fee is non-refundable.

5. Basic Care Requirements: 1) The horse must have access to fresh water as well as salt/mineral supplements at all times. 2) The horse must have available a three sided shelter at all times. 3) Safe fencing is required along with a companion animal. 4) Depending on the level of exercise and use of the horse, the adopted horse shall maintain weight and condition described by the Henneke Scoring System within Moderate (5) and Fleshy (7).
6. Health Care Requirements: 1) Vaccinations to be done on an annual basis are required as shown: West Nile, Tetanus, Rabies, Eastern/Western Encephalitis, Rhino and all other inoculations recommended by your veterinarian for any endemic diseases. 2) Adopted horse must be maintained on a regular deworming program. 3) Adopter is required to have the teeth checked and floated on a regular schedule.

By completing this form you are on your way to adopting your thoroughbred horse. We thank you for your interest in adopting a Thoroughbred.

I, _____ having read and agree to requirements within the Adoption Application.
