# Client Professional Services

As They Are Trained,  
So Shall They Perform

# Our Services:

Family Owned and Operated, Aloha Canine Development Center's (ACDC), primary function is to provide the community of Marble Falls and the surrounding Highland Lakes area with unsurpassed levels of customer service both to our clients & their canine companions.

## Training:

People love their dogs and, as trends indicate, dog ownership continues to grow. The love (spoiling) that owners provide to their furry, four-legged, family member is innocently given with good intent.

This has created an upward trend leading to an increase of behavior problems in households with dogs.

Most often, behavioral issues are easily corrected using industry standards and basic obedience techniques. These techniques are the ones taught and reinforced through the training staff at ACDC.

## Boarding:

Families are busy, all having lives to lead. This requires them to be out of town, sometimes for extended periods, as well as taking that occasional and much needed vacation.

These situations do not normally allow their "Canine Companion" to go along.

It is in these cases that a "Home Away From Home" is needed. A place where the pet owner feels comfortable, without guilt, and where they are confident leaving their closest companion.

# Training:

Every dog and owner are unique, just as their training needs and expectations. Because of this, we offer:

*A Free, No Obligation, Private Consultation Assessment.*

This consultation allows us to evaluate and recommend a training plan. It also allows the client to determine if ACDC is a good fit for their dog's training objective(s).

## Why Offer In-Kennel Training Only?

- Value: A balanced, social, & trained dog at a cost comparable to other's basic boarding fees
- Convenience: A trained dog in two weeks vs. travel to/from numerous private/group classes
- Quality: Our immersion program trains the dog for real-life situations by proofing their training outside the classroom

## In-Kennel Training

Dog Board & Trained On-Site  
Providing Training Sessions Throughout Day

14 Day Program: \$1149

*All In-Kennel Training Participants Receive:  
A Complimentary Reference Thumb Drive Video  
and A Private Go-Home Lesson*

# Boarding:

Our kennels allow your dog access outside as well as inside our climate controlled interior kennels.

For fresh air and comfort, dogs are moved in/out throughout the day as weather dictates. All dogs are moved inside at night.

## Boarding Rates

Large Kennel, (1) Dog, \$50 Per Day  
Large Kennel, (2) Dogs, \$75 Per Day

Boarding pricing includes:  
(3-6) Pack Walks Per Day  
(2) Feedings Per Day  
Fresh Filtered Water

*All Dogs or Multiple Boarders in the Same Kennel That Board for 10 Nights or Longer, Receive a Free Night's Stay*
