Good evening my Abate family. The sun was shining today, and it was 55 degrees outside. So can you say it's going to get there I can't wait for it to be 80.

The bike tickets have been passed out for our region to sell. If you didn't get yours stop in and see me at our meetings. When you ask? Why the second Sunday of the month at Roadside in Pinconning. We have our calendar pretty much set up. Will be adding more as time goes on. Here it is for your planning and scamming.

Field meet is going to be important as it is the time we vote and honor our member of the year. If you have any members that are riding in heaven, please let me know so they can be honored on that Sunday.

So let's enjoy the new year let's get together and sit by a fire let's have a beverage or two and a meal to share.
