### Pastor's Corner

I still find it interesting that November begins with a day that usually causes division on a massive scale (particularly this year) – *Election Day* – and it closes with a day designed to foster unity and other communal virtues – *Thanksgiving*. One might

wonder if it would be better if we had them the other way around. But for whatever reason, I'm glad Thanksgiving comes near the end of the month – not because we can group it with “the holidays” – but because, if observed well, it can put it us in a proper and prepared place for Advent. If you know me (like 50% of pastors), we harp about how people rush too quickly to Christmas. For Pete's sake, as I'm writing this, I bet Starbucks is swapping out their pumpkin spice for peppermint and gingerbread, and the retail

stores? Well, don't get me started. I like when Thanksgiving happens; it's almost like a sentry at the gate, telling our culture to “slow down” – many may rush past anyway, but at least there's a kind of “guard” that is proclaiming, “Take the time to focus on what's important ... take the time to foster gratitude in your heart ... do the work of having your spirit ready – so relationships can take primacy over traditions.” So, I'm encouraging you, don't rush past the sentry, stationed faithfully on the last Thursday of the month. Start looking for him now.

There's a good chance (a very good chance) that whatever happens on Tue. November 5<sup>th</sup> will either “put you in a bad mood” or give you anxiety that tempts you to turn “inward.” I want to encourage you to counter that with the grace of God, and the help of his Spirit. In Christ, you have received an abundance that gives you the ability (the *power* really) to respond with gratitude. To that end, I close with Paul's words in 1 Thess. 5:16ff. (coming from one who was unjustly treated, abused, and imprisoned): “Make sure that nobody pays back wrong for wrong, but always strive to do what is good for each other and for everyone else. **Rejoice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus.** Do not quench the Spirit. Hold on to what is good, reject every kind of evil. And may the God of peace, sanctify you through and through. May your whole spirit, soul and body be kept blameless at the coming of our Lord Jesus Christ.” Amen (= May it be so!) ~ Pastor Brian

**\*\*Crafternoon:** Mark your calendar for November 17th where we will meet in the conference room and share what we have been working on! Don't forget your lunch.

Near the end of September, power was lost to the lights in the Conference Room. We thought it had to do with the electrical upgrade to the building, but it was discovered that someone during the last part of September moved things around in the attic and in so doing knocked the cover off an electrical box and broke some wiring. It has been addressed (*many thanks to Fran Kapelewski!*), but we would like to ask everyone working in the attic for whatever purpose to please be mindful of the space and careful when moving things around, etc. This will help us avoid costly damage and inconvenience. Thank you very much for your care as well as your work.

Ladies Lunch will be taking a break for November and December. We will resume on January 26<sup>th</sup>.

We continue our relationship with Origins supporting families in the Lower Burrell area. On the second Tuesday of the month a group from Puckety gathers at their location and helps in any way we can. We usually end up sorting through the clothing donations and help organize them by season, age and gender. Accommodation can be made for anyone who can't stand for a long time or carry items. We work as a team and the work is always appreciated by Origins and the families that use their services. We will be continuing this outreach in 2025. If there is a specific month that you want to make sure you are signed up for please let Wiebke know. There is always room for more just sign up on the sheet on the Outreach board.

### **Devotional** - Read Revelation 11:15-19 & Ephesians 6:10-12

While Wiebke and I were in Glacier National Park, we took the time at one point to sit and listen to a park ranger's presentation about some of the larger wildlife, including moose (which neither of us saw on that trip, alas). Did you know that a moose can swim faster than Michael Phelps! [*Instead of kicking paddle style like we'd imagine, they usually move their front legs closer to what we'd call a breast stroke – I'm not making this up – still something I wish I could see with my own eyes*]. National Geographic ran an article about the Alaskan bull moose. The males of the species battle for dominance during the fall breeding season, literally going head-to-head with antlers crunching together as they collide. Often the antlers are broken. That ensures defeat. The heftiest moose, with the strongest antlers, triumphs. So, *the battle fought in the fall is really won during the summer*, when the moose eat continually. The one that consumes the best diet for growing antlers and gaining weight will be the heavyweight in the fight. Those that eat inadequately sport weaker antlers and less bulk. There is a lesson here for us – echoed by the chapters of Revelation we've been studying: spiritual battles await. Ephesians 6:12 says, "Our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms."

Our Enemy will choose a season to attack. Will we be victorious, or will we fall? Much depends on what we do *now*—before the wars begin. The bull-moose principle: enduring faith, strength, and wisdom for trials are best developed before they're needed. One thing is certain. We cannot afford to be ignorant of this invisible war because it is waged right here and now. The enemy of our souls wants to gain a foothold. So how do we prepare ourselves? How can we intentionally put on the full armor of God described in Eph. 6? We have to be a people of prayer. We must go before the Father when we rise in the morning, and when we lie down for the night; when we gather together in worship, and as we are sent out as advancers of the Kingdom of God. General Stonewall Jackson had a man on his staff who had become so accustomed to his ways that he was able to discern when the General was about to start on an expedition. Someone asked him how he knew the General was about to depart without telling him. "Oh, that's easy," he answered. "The General prays every night and morning. But when he is on the eve of an expedition he prays two or three times during the night. I pack his baggage, for I know where he is going." How will you prepare for what awaits you in the world today? - Pastor Brian

Meals on Wheels is in Urgent Need of volunteers...

If you can help, call 724-334-4404

Please leave a message!

The Presbyterian Church (U.S.A.), through the work of Presbyterian Disaster Assistance, is on the ground responding to the many urgent needs following the destruction of Hurricanes Milton and Helene.

**TO GIVE:** USE ANY ENVELOPE IN THE PEW RACK. MARK IT WITH "PDA".  
PLACE IT ON THE OFFICE DESK OR IN THE OFFERING PLATE.

This effort will require ongoing support, not just for the physical recovery but also for the emotional and spiritual healing of those impacted. Presbyterians from nearby regions are engaging with other faith-based and nonprofit organizations to ensure coordinated efforts and that every affected person receives the help they need. In these difficult times, we are called to respond through generosity, action and prayer — standing in the "GAP" to uplift our neighbors and offer hope in their journey toward recovery.

We are hosting a basket raffle to boost the capital campaign. We'll be selling tickets at the Spaghetti Dinner on November 2nd. Cash, Zelle, or PayPal will be accepted.

The Lower Burrell Parks Commission has been planning a special event to intentionally celebrate Christmas, with a focus on including area churches to help promote both community and goodwill. The program will be held Saturday **December 14, 2024** (2:00-5:00 pm) at Kotecki Park (the Christmas parade will follow at 7pm). In addition to things like a "visit from Santa," they want to include as many churches as possible to help highlight the importance of faith in our traditions. The commission would like to hear from us ASAP in terms of who and what we'd like to offer. Some options include:

- \*helping with *children's activities or crafts* (the commission would provide materials)
- \*providing *Christmas music* (choirs, praise teams, carols, instrumental Christmas music, etc.)
- \*providing cookies or *baked goods* that can be shared with children and families.
- \*donating *nativity scenery/pieces* (or help setting them up) so the decorations are not just generic type for holidays, but specifically for Christmas.

We have a couple signed up for cookies, but we would like to do so much more. Please call the **church office or Pastor Brian by November 13<sup>th</sup>** or call **Beth Fazini at the parks commission** (724-594-5931) by Nov. 14<sup>th</sup> to volunteer or help support the event. Questions: you can email Debbie Kurtik at the Parks Commission: [zemsmom@comcast.net](mailto:zemsmom@comcast.net).

Please take a moment to observe the two banners hanging in the sanctuary:

"GRATITUDE" was donated by Mary Wilds in loving memory of Donna Bracken for her kindness and compassion.

"ENTER HIS GATES WITH THANKSGIVING" was donated by the McKay family in memory of Ron Kapustik.

Please join us after worship on November 24<sup>th</sup> as we decorate our beautiful church for Christmas! Many hands make for lighter and faster work! Young legs to travel up and down the attic steps are much appreciated. Thank you!

## **DATES TO REMEMBER**

Remember, our faith isn't a private thing; it affects every sphere of life.

November 10th - **Veterans Luncheon** at Faith Hall after 10 AM Worship - join us as we honor our veterans. Also, Nov. 10th is also the *deadline to bring your **Operation Christmas Child Shoeboxes***.

## Youth Group

We continue to have a great time at youth group. We have started a *RightNow Media* video study called *Eternity* with Francis Chan as the teacher. On October 12<sup>th</sup>, we had some students join us for the annual church bonfire. On October 20<sup>th</sup>, we enjoyed pumpkin bowling! As of the time of this article, we have 6 signed up to help with the Trunk or Treat on the 26<sup>th</sup> and have a Halloween costume party on the 27<sup>th</sup>. In November, we plan to make a trip to Skyzone in Monroeville (something the kids have been itching to do again) and make a craft gift to hand out when we go caroling in December. Again, all middle school and high school students are welcome – we usually meet on Sundays from 6:00 to 8:00pm.

A handful of our members hosted a booth with information and children's activities at the LB Fall Festival on 10/19 at Kotecki park. The weather was beautiful and LOTS of kids came by for sand art (50 little bottles - all gone within 3 hours!), cornhole for prizes, and to learn about our Trunk or Treat and children's ministry. Special thanks to Mick Dober and Deb Artman for helping me man the booth from 11 to 4, and to Dustin and Karen Marshall for the great help with both set up before and take down after!

Notes from the choir director:

*Corinthians 1:13: If I speak in the tongues of men and of angels, but have not love, I am a noisy gong or a clanging cymbal.*

As part of the praying family of Puckety Church, it is just like being a musical note in a chord. When a chord is played it can make a beautiful sound. As long as an instrument can produce 3 notes together, it can play a chord. If we are in prayer alone, one on one with God, it is a beautiful note...music to God's ears. When we pray with love with someone else, it produces a strong harmony that no ties can break. And when we are in prayer with love with at least 3 or

more, we have a chord! Like angels singing, our prayer produces the kind of music pleasing to God. Now, not all chords are "pretty". Sometimes you get notes that clash together and we call that "dissonant". It's not kind to our ears but with proper attention, can be "resolved". If we find ourselves clashing with others, imagine ourselves, with love, as notes in harmony with each other. God is listening.

## ***As Puckety Church we personally and collectively GROW IN FAITH***

We want to speak again in support of you joining a **small group** – Some groups may be getting ready to start a new topic or theme, so please call the church office to find out more. Again, if you're on the line about whether to help facilitate a group, Pastor Brian is happy to meet with you for tips and starters.

**CONFIRMATION CLASS** - Pastor Brian plans to offer a confirmation class for any youth (6th to 12th grade) who would like to go learn more about the Christian faith with the intention of making it personal, becoming ready to affirm it in worship, and become a member of Puckety Church. The class is tentatively scheduled to start on *Sunday, January 12th* (meeting weekly from 8:30 AM to 9:30 AM) and last for 13 Sundays. *Please note that to complete the requirements of the class* and become a member, every student would need to attend & participate in at least 10 of the classes (no more than 3 absences). Please contact Pastor Brian by December 1st to sign up for the class so materials can be acquired.

This year the Deacons are working with Origins (formerly Tri City Life) to provide Christmas gifts for local children in need. The Angel Tree will be put up around November 21. Please take an angel from the tree and sign the list by the corresponding name/number. All gifts may be placed in a gift bag. These gifts should be returned to the Church by Sunday, December 8. The Deacons will deliver them to Origins. Thank you so much for helping put smiles on children's faces. The Deacons truly appreciate your help.

AV Team: We still need a volunteer to run sound for the Christmas Eve service. Please see below the schedule for the rest of the year. For current team members please let Wiebke know if you have any 2025 dates that you know you will not be available so she can build them into the 2025 schedule.
