## The November 5<sup>th</sup> Mighty Hands Event

Mighty Hands, Inc. is an entity working with and helping to support “Love In Action”.

MIGHTY HANDS, Inc. Sponsorship Fair was a success with Guest Speaker, Mr. Phenious Chuma.

Our organization was explained. Our goal was to present the children and their needs to the people. We are attempting to find sponsors for some of the children.

Mr. Phenious Chuma made a presentation and related his story. When he completed secondary school, he desired to go on and further his education. But his father could not support that option. Missionaries, who learned of his plight, took him under their wings and funded his education. With his education, he is giving back to his country.

Mr. Chuma is Executive Director and Founder of “Love In Action Malawi” located in Salima, Malawi. This is an organization which he began to minister to the children of Malawi. Edward Trammell is the President and

At the event, information was passed out about the children. Sponsorship forms were available to those who may be interested in sponsoring a child.

These children have aspirations to be teachers, nurses, doctors and soldiers. They have dreams like all children, but their situation makes such dreams almost impossible. Without the help of caring people who are led by God to give, their dreams may never be realized.

Here are just a few of the children we introduced at the Event.

**Back row Left to right:** Vestina Ziyaye , Amina Kalunga, Samalani Kefasi,

**Middle row left to right:** Caroline Banda, Doress Kennedy, Ashimu Lameck, Patricia Macdonald and Moreen Afete

**Front row left to right:** Yesaya Paul, Owen Stanziyo, Veronica Jackson, Grace Issa and Grace Nkhoma.

If you do wish to sponsor a child, your support no matter how small will help feed them. Your donation will provide a meal each day when the children come to receive tutoring and help with their lessons.

## The Holidays and End of the Term Ceremony

“Love In Action Malawi” had a closing day ceremony as schools and offices closed for Christmas and New Year’s Holidays on Thursday, December 15, 2016. Offices and schools reopened on January 2, 2017.

A quote by Phenious Chuma: “This past Christmas season I am so excited that we were able to give a nice meal to almost 200 children. Most of them taste meat once in a while and our organization was able feed them and celebrate with them.”

## Financial needs for each child:

Primary children need \$5.00 every term for development and examination fund.

Uniforms, cost about \$30.

Tuition for secondary school—depending on which secondary school selected—vary in range from \$50-350 per term (that is in public or community secondary schools and not private).

Faithfully donating \$10 or even \$5 a month will greatly help the children who come up short in their financial needs to attend school and will enable us to continue to supplement their diet.

## Message from the President

As we begin the New Year, 2017, I want to thank all those who opened their hearts and donated to this worthy cause. Our organization was officially founded in October of 2015 but we were endeavoring to make a difference long before that. The year 2016 was our first full year of operation in the name of Mighty Hands Inc. God has blessed us and we are slowly growing with faithful contributors.

Last year we were able to send money to help feed children in Salima Malawi after school; and provide some necessary needs for a few so that they could attend and continue in school. There are over 200 children that we are attempting to help in villages there. We do not take this assignment lightly and pray every day for the Hand of God to guide and help us. Our prayer also is that more supporters will tap into the vision of Mighty Hands Inc., and become faithful supporters.

God Bless you all as we look forward to the new year in which we have been granted to do God's Will!

Edward Trammell,  
President and co-founder
