May 2017 President's Message

This month I want to focus on CCACalifornia.org.

I believe it is an essential link to insuring not only our right to fish but insure fishing is available for our kids, grand kids and generations to come.

CCA California is a statewide, non-profit marine conservation organization working to protect the state's marine resources and interests of anglers.

WHY JOIN?

By joining CCA you become a part of the more than 100,000-member strong organization that has participated in virtually every national fishery debate since 1984.

ON A STATE AND FEDERAL LEVEL, WE HAVE.

- Outlawed destructive commercial fishing gear
- Protected game fish designations
- Funded finfish hatcheries and marine science labs
- Created a national marine habitat program
- Supported marine law enforcement
- Awarded marine science scholarships
- Defended conservation gains in court
- Forced bycatch reduction regulations
- Prevented arbitrary no-fishing zones

The Marine Life Protection Act Closed a lot of fishing to anglers. Legislators "promised" a review. Now that the review period is upon us, there is no funding for the reviews. Instead of legislating the end of fishing and hunting bureaucrats are trying to regulate our sport out of existence.

Seems our oceans lakes and streams are to be regulated as look, don't touch or enjoy.

CCA Chapter are sponsoring the following events to help raise money to insure our right to fish is not lost:

Summer BBQ Saturday May 20th Long Beach Rod and Gun Club **NEW LOCATION**

Orange County Chapter June 24th Seafood Festival Shimano Headquarters

San Diego Chapter

August 26th Craft Beer and Food Fest Portuguese Mall

Channel Islands Chapter has not given me their event as of the date of this newsletter.

You have heard Dick, Denise and I speak about CCA. On April 18, 2017 I am proud that 14 of our members attended the local get together here at Mimi's. We had the largest representation. I want to urge you to think about the future of fishing and consider joining CCA California as an active member. This month alone San Diego, San Pedro, Malibu, San Clemente and Santa Barbara shared MPA Baseline monitoring reporting. I will try to keep members advised of events as they are brought to my attention.

Members who plan to go to the BBQ, please see me or Denise to obtain your tickets. We are sponsoring a table. Be advised it is at the Long Beach Rod and Gun Club, a new location.

Finally, I propose we go fishing at Casitas at the basin. You can fish from shore, via float tube or by boat. I Think this would be fun and a lot of members would enjoy it.

Helena trip will have happened prior to our meeting. I hope to see pictures and articles from members.

We'll see you at a meeting or on the water.
Thank you

Your President

Meetings are held the second Wednesday of the month at Mimi's Restaurant in Monrovia. Mimi's has accommodated us with separate checks, an open menu, and they start taking orders as we arrive. (As early as 6PM sometimes.) We want to keep this in balance. Please continue to purchase dinner during our meetings. If you are unable to purchase dinner or prefer your wife's cooking, please consider dessert and a beverage at least. Remember that your check does not include the tip so you need to add on the tip. And please be generous in your tip. We are not the easiest group to work.

2017 Membership Drive

The 2017 Membership Drive is on!!!! Sam will have **pre-printed forms**. Just bring your check or cash and validate your personal information on the pre-printed forms. The data on the pre-printed forms comes from the club database. This is the best time to verify and update your information. (Please make every effort to use the pre-printed forms rather than fill out a blank form. I have had instances when people supplied "new" or "revised" information (or I couldn't read their writing), only to have to change the information back at a later date! Thanks for your consideration and cooperation.)

The dues for 2017 are the same as last year: \$45 for an individual and \$60 for a family membership.

Membership Card Reminder

All members are reminded that your club membership entitles you to a 10% discount on NON-SALE fishing tackle items at Turner's Outdoorsman stores. This discount is not available for guns or ammo. You are also reminded that after January 1 2017, your 2016 membership card is void. In order to receive the discount, a current 2017 membership card will be required. All store managers are aware of this and there are **NO EXCEPTIONS**.

Helena Club Charter

The Club has chartered the Helena for Saturday May 6, 2017. It is a very limited load. It is an all day trip, 5 a.m. to 5 p.m. of out Dana Point. This is a 50 foot boat with a galley. We do have a small galley minimum to meet. The suggested gratuity is 15% – 20% of the charter price. Fish Cleaning is \$1.00 for average size fish, \$2.00 and up for larger fish and \$1.00 for sacks. There is free parking in a long term lot. Check in at the Dana Wharf office about parking when you arrive. Address: Dana Wharf Sport fishing, 34675 Golden Lantern, Dana Point, CA 92629.

Charter Master Ernie Branch says this was a comfortable boat with a good Captain. Targeted species? I told my husband to be ready for anything. Early WSB can be found inshore and this past week some YT have already been caught near Mission Bay. We have enough time with the boat to venture to some of the islands too. As it gets closer, I am sure Ernie will have an update from the Captain.

Don't forget to wear your Club shirts. We want to get a photo with the Club banner.

DINNER MEETINGS

We are still able to meet at Mimi's Restaurant in Monrovia. It becomes more and more difficult to find meeting space as time goes on. We have strived to make this relationship work.

In order to maintain a good working relationship with Mimi's each member needs to continue to purchase food at our Dinner meetings. Yes, these are dinner meetings. Mimi's has accommodated us with separate checks, an open menu, and they start taking orders as we arrive. (As early as 6PM sometimes.) We want to keep this in balance.

If you are unable to purchase dinner please consider dessert and a beverage at least if you eat dinner at home. Also please remember that your check no longer includes the tip so you need to add on the tip. And please be generous in your tip. We are not the easiest group to work.

EVERYONE PLEASE READ

Ladies and Gentlemen,

We have enjoyed many years at Mimi's now and we want to continue that relationship. Please continue to be the gentlemen that you have been at Mimi's and respectful of the serving staff at all times. They work very hard to get us what we want for dinner while we are there.

Remember that your actions at Mimi's and anyplace the Club is in public reflect on the club as a whole.

Once again, I ask you to be generous with your tip as well as it is not added on the bill. If you have any issues please bring them to William Davis.

Thank you,
Denise Davis
