

## Hayride Accident Puts Winooski Youth In Serious Condition

**Thomas Clavelle**, 16, of 26 Hall St., Winooski, remains in serious condition at the Medical Center Hospital following a hayride accident in Colchester Saturday night.

Clavelle was taken to the hospital by the St. Michael's College ambulance shortly after 10 p.m. with multiple injuries.

Colchester patrolman Charles Kirker said the youth apparently had jumped off the wagon, tripped and was run over by the right wheel of the wagon.

The junior class of Rice Memorial High School had sponsored the event on a farm on the Pine Island Road.
