Tempaper's Removable Wallpaper Brings Your Designer Dreams to Life  
Infuse stylish designs into your home with the self-adhesive wallpaper from Tempaper. With Tempaper's easy to apply and easy to remove couture wallpapers, achieving that chic, sophisticated, or playful air in any space is within everyone's reach.

Modern wallpaper has come a long way from the kitschy florals found in grandma's dining room – it's the vogue way to let one's personality shine through on paper. With Tempaper, spicing up a lackluster space or adding an accent wall is as simple as peel and stick.

Their self-adhesive creations are:

removable and repositionable;
