

Hello Everyone:

Don't forget to drop by Dave and Jane Olson's house for a bronze marker dedication of the Milne House at 11:00am on **Saturday, October 20<sup>th</sup>**. The address is **2279 Bonita** (corner of Bonita and "F" Street). I believe there will be a special guest for this event.

There is still some room for LVHS members to participate in the **Tuesday, October 30<sup>th</sup>** visit to Logan's Candies in Ontario. The cost is \$6.50 for children and \$3.50 for adults. Please contact Sherry Best at 909/596-4679 [sbest@lavernehistoricalsociety.org](mailto:sbest@lavernehistoricalsociety.org) for details.

On **Sunday, November 4<sup>th</sup>**, members of the LVHS have been invited to a lecture from **2:00-4:00pm** at the Workman and Temple Family Homestead Museum in the City of Industry. Paul Spitzzeri, Museum Director, will tell us about early photography in Los Angeles. Please note that the correct date is 11/4 and see the flyer for details. This event is available to LVHS members only and requires a reservation. To reserve your spot, call 626/968-8492 or visit their website at [www.homesteadmuseum.org](http://www.homesteadmuseum.org), click on upcoming events then click again on talks and lectures. Find the "*Through the Viewfinder*" event and click on the link that tells you to reserve a spot.

On Saturday, **November 17<sup>th</sup>**, the LVHS is co-sponsoring a bicycle tour with the La Verne Bike Coalition. The topic is Murals of La Verne. The tour will leave at **9:00am** from in front of the Fourth Street Mill next to the Transportation Pocket Park on the corner of Bonita and "D" Street. Don't miss this child-friendly event. Please see the flyer for details.

October and November events are coming up fast. This is an excellent year to become an active participant and enjoy the events that make living in La Verne so fun and educational – and historical!

Sherry Best, President  
LVHS
