ABOUT THE COVER:

In 1862, Don Facundo Bacardí Massó, set out to create a rum like no other. He spent the next decade perfecting blends that he was proud to serve to the people of Cuba. He never settled, always looking for ways to improve his product.

In our new bottle designs we pay tribute to Don Facundo Bacardí Massó and the legacy of his rum; showcasing stories of the Bacardí family and history over 153 years, and celebrating the human craft and passion that still goes into every bottle today.

Your ability to drive safely is directly related to the percent of alcohol in your bloodstream. For drivers, one drink per hour is the **lifesaving limit**.

1.5 oz Distilled Spirit
Equals
5 oz of Wine
Equals
12 oz. of Beer

The chart is only a guide. Each person's response to alcohol will vary, based on individual tolerance for alcohol, food intake, fatigue and other factors. A person's driving can sometimes be impaired after one drink.

Please
don't drink and drive.

A vibrant advertisement for Tequila Exotico. The background is a mix of pink and white floral patterns. At the top, the word 'TEQUILA' is in a simple font, and 'Exotico' is written in a large, elegant, black cursive script. Below the text, two bottles of Exotico are shown: a dark bottle of Reposado and a clear bottle of Blanco. Both bottles feature a colorful sugar skull design on their labels. In front of the bottles are two glasses of tequila with lime wedges. To the right, a large, stylized sugar skull is decorated with colorful flowers and patterns. At the bottom, the text '100% BLUE AGAVE' is written in a bold, black font. Below that, the website 'EXOTICOTEQUILA.COM' is listed. At the very bottom, a small line of text reads: 'PLEASE ENJOY RESPONSIBLY. ©2015 Tequila Exotico™, 40% Alc./Vol.; (80 Proof), Imported from Mexico exclusively by Luxco, St. Louis, MO.'

Greetings from Commissioner Moats

April 13, 2015

The West Virginia ABC made some updates to the portal that went into effect during the month of March. Our IT department developed a new bailment control system to better serve you and your employees.

You now have the ability to enter claims and/or returns, special orders, add on and will calls, remove/ increase reserved items and submit 190 forms online. We will be providing information to you in the coming months as we move toward mandatory online entry of 190 forms.

If you still have employees who need access they can go the portal and fill out a log in request. <https://portal.wvabca.com> Please add the store number at the bottom of the form.
