From the President

I hope everyone had an enjoyable summer. Although there always will be items that need upgrading in our aging complex, this summer has been relatively uneventful - so far. All the elevators have now been upgraded and passed inspections. Buildings 1, 2, & 3 stairwells, walkways and parking floors have been painted. Crumbling and broken car stops were replaced and we have some new bike stands.

I urge **all** owners to consider running for the E.C. Board of Directors or volunteering to serve in some capacity. We will have four positions open on the Board come January 2008! I continue to believe that we have one of the best Communities on the island. Let's keep it that way!

Lowell Spiess

FYI

There is a new elevator code as of September 4, 2007. Please contact the office before coming down to Estero Cove.

REGISTRATION IS NECESSARY

Be sure all owners, renters and guests register at the office and get a tag for their vehicle.

LANDSCAPE UPDATE

We have not had a good rainy season in 2007 and with the new water restriction hours of 4 a.m. to 8 a.m. no one is available to turn on our sprinklers. Therefore, the sod is pretty dry. However, all the trees have been trimmed and look great for the season.

Important Information

This summer there were a couple incidents at the pool. A few nights **between 2-3 a.m.** there were loud gatherings with glass beer bottles left in the deep end of the pool and cans on the edge. No one knows who they were. The worst was someone, and I have to believe someone off the street, got into the ladies restroom and literally messed everywhere. So with that, the decision was made to lock the pool and restrooms at 9 p.m. and open them at 7 a.m..
