

OPEN HOUSE

Troop 599

September 29, 2015

Are you ready for Boy Scouts? Webelos II will graduate to Boy Scouts after the new year and need to select a Troop. Since this is such a big decision, the Boy Scouts of America made it a requirement to visit a Boy Scout Troop for Arrow of Light.

Troop 599 is having an Open House on September 29 at 7:30 in the Scout Lodge for Webelos II to come and see Troop 599. Those who come to the Open House are eligible to attend the Mountain Man Rendezvous in November.

During Open House, scouts will participate in multiple activities including:

- Knot Tying demonstration and competition
- Orienteering course through Edith L Moore Bird Sanctuary — in the dark!
- Frying donuts — and eating them too!

While the boys enjoy the events, the parents will learn tips on selecting a Boy Scout Troop.

Mountain Man Rendezvous

November 21st and 22nd is a campout with an entire weekend filled with challenging events for Webelos! The weekend is filled with multiple events that include:

- Archery
- BB Gun shooting
- Tomahawk throwing
- Pioneering — race across a rope bridge
- Lug-a-Jug — boys work together to accomplish a task
- Black Powder Rifle and Shotgun shooting exhibition by older scouts
- Huge Bonfire with original skits
- BBQ dinner cooked on site by Troop 599
- Prizes — including a Red Rider BB Gun

You don't want to miss the Mountain Man Rendezvous!

Studies show Eagle Scouts consistently indicate their experience in Scouting contributed to positive and pro-social development.
