Welcome 2017 Touch of England show sponsor Brad Dassow of Vintage Car Radio.

Thought you couldn't enjoy the advantages of modern sound in a vintage vehicle without having to alter the original look and classic appearance? Thought you had to wait until you got home to enjoy the latest technology, clear sound and good vibrations? Think again.

Vintage Car Radio specializes in modern radios to fit original classic car dash openings. Plus Accessories, CD Changers, Collectibles, DIN Radios, Exterior & Interior Lighting, Hideaway Radios, Seat Belts, Stereo Conversions, Sound Deadening, Speakers & Amps, and Vintage Radios.

Still got a box of cassettes stored away in the attic? Bring 'em down, because Vintage Car Radio can even fix you up with a cassette player. Still got some floppy disks and a Walkman? Sorry, can't help you there.

Manuals are available on the website for classic car radios and accessories. Gift certificates too. Right now there's a special offer: Get a free \$25 Gift Card to your favorite restaurant when you order \$175 or more!

Remember: Today's technology is phenomenal, but be safe. Never text while driving or be distracted by the radio.
